A brief explanation of any of the figures above necessary to enable the figures to be understood	The Company is currently non-trading. Revenue for the period comprised interest income only. The prior comparable period included one-off other income of $69,000 (reimbursement relating to a reverse takeover listing), which accounts for the decrease in revenue and the increase in net loss. The current period also includes interest expense of $2,137 on a $200,000 loan from the majority shareholder. Please refer to the attached unaudited interim financial report for the six months ended 30 September 2026.
