About EROAD

EROAD (NZX/ASX: ERD) is a hardware-enabled SaaS company delivering safety, compliance, sustainability and efficiency solutions for complex vehicles fleets.
Its connected platform is used by commercial and government operators across New Zealand, Australia and North America to manage vehicles, assets and drivers with greater visibility and control. EROAD supports demanding, highly regulated fleet operations, including those moving food, concrete and aggregates, enabling them to operate smarter, safer and more sustainably.
EROAD's platform is built on a foundation of regulatory expertise, having delivered the world's first GPS-based road user charging system in New Zealand, where it remains the market leader today.
