No other person has any right to waive any condition.

4.7 Expert Determination: To the extent required by the Takeovers Code, where any condition set out in paragraphs 4.1 to 4.4 requires a determination as to whether a matter is or could reasonably be expected to be material or not

(including whether a matter will have, or could reasonably be expected to have a material adverse impact on the business of the Rakon Group taken as a whole, or not), is usual or not, is unusual or not, is adverse or not, is onerous or not, is long term or not, is normal or not, is in the ordinary course of business or not, is consistent with past practices or not, or is of a formal or technical (and not substantive) nature or not, or any similar determination required in relation to any such condition, before the condition may be invoked, such determination be made by a suitably qualified expert appointed by Bourns who is independent of, and not an associate of, Bourns.

4.8 Offer conditionality: The Offer will only proceed, and Bourns will only pay for the Shares to be taken up under this Offer, if each of the conditions set out in paragraphs 4.1 to 4.4 is satisfied or waived by Bourns and Bourns declares the Offer unconditional. If this does not occur, the Offer will lapse.

4.9 Declaration of unconditionality: Bourns agrees that it will as soon as practicable following (and in any case within two working days of) satisfaction (or waiver) of the last to be satisfied (or waived) of the conditions in paragraph 4.1 and 4.2, and provided that no event or circumstance has occurred which results in any of the conditions in paragraph 4.4 not being satisfied or fulfilled (and which has not been waived by Bourns) and provided that Bourns is not investigating on reasonable grounds whether any such event or circumstance has occurred, waive the conditions in paragraph 4.4 and declare the Offer unconditional and provide written notice of that fact to Rakon, the Takeovers Panel and NZX. If Bourns is investigating whether any such event or circumstance has occurred then, if on completion of that investigation no such event or circumstance has occurred, Bourns will waive the conditions in paragraph 4.4 and declare the Offer unconditional and provide written notice of that fact to Rakon, the Takeovers Panel and NZX.

4.10 Latest Unconditional Date: The latest date on which Bourns can declare this Offer unconditional is 20 working days after the Closing Date. The latest date by which the Offer is to become unconditional is 11.59pm on **20 working days after the Initial Closing Date (Unconditional Date)**, but this date may change if the Closing Date is extended as permitted by the Takeovers Code. If the Offer does not become unconditional, it will lapse and all Acceptance Forms will be destroyed.

4.11 Restrictions on Lapsing the Offer: Notwithstanding any other term of the Offer, Bourns will not allow the Offer to lapse:

- (a)** in unreasonable reliance on a condition of the Offer; or
- (b)** in reliance on a condition that restricts Rakon Group's activities in the ordinary course of Rakon's business during the period that begins on the Notice Date and ends on the Unconditional Date.

4.12 Reasonable endeavours to satisfy Regulatory Consents Condition: Bourns must use its reasonable endeavours to satisfy the Regulatory Consents Condition as soon as reasonably possible after the Offer Date and will not deliberately take any reasonable action, or omit to take any such action, for the

purpose of preventing or hindering the fulfilment of the Regulatory Consents Condition.

4.13 Extension of the Offer Period: Bourns must extend, and continue to extend, the Offer Period (by the shortest reasonable period in the circumstances) in accordance with the Takeovers Code until the conditions set out in paragraphs 4.1 and 4.2 of this Offer Document have been satisfied.

5. CHANGE OF CIRCUMSTANCES

5.1 Dividends and distributions: If, on or after the Notice Date, a dividend or other distribution (within the meaning of the Companies Act 1993) of any nature whatsoever (including, for the avoidance of doubt, by way of share buyback, redemption or cancellation or any other form of capital reduction) is authorised, declared, paid or made upon or in respect of any of the Shares, and if the condition in paragraph 4.4(a) is waived and the Shareholder accepts or has accepted the dividend, bonus, payment or distribution, at Bourns' option either:

- (a)** the Shareholder will be bound to pay Bourns on demand an amount equivalent to the relevant dividend or the value of the relevant distribution paid or payable to them or received or receivable by them in respect of the Shares taken up from them under the Offer (in each case, (i) for a New Zealand resident Shareholder, being the amount of the dividend or distribution before the deduction of resident withholding tax, and ignoring any imputation credits attached to that dividend or distribution, and (ii) for a non-resident Shareholder, being the amount of the dividend or distribution ignoring any supplementary dividend paid and ignoring any non-resident withholding tax paid to the Inland Revenue Department in relation to that dividend or distribution); or
- (b)** the consideration which would otherwise have been paid to such Shareholder will be reduced by an amount equivalent to the relevant dividend or the value of the relevant distribution paid or payable to them or received or receivable by them in respect of the Shares taken up from them under the Offer (in each case, (i) for a New Zealand resident Shareholder, being the amount of the dividend or distribution before the deduction of resident withholding tax, and ignoring any imputation credits attached to the dividend or distribution, and (ii) for a non-resident Shareholder, being the amount of the dividend or distribution ignoring any supplementary dividend paid and ignoring any non-resident withholding tax paid to the Inland Revenue Department in relation to that dividend or distribution).

5.2 Payment of reimbursement: If a Shareholder is required to make a payment to Bourns under paragraph 5.1(a), the Shareholder must make that payment within five working days of demand, to the bank account stated in our demand, in cleared and irreversible funds, and free of deduction, set off, withholding or condition.

5.3 Bonus issues: If, on or after the Notice Date, shares, performance rights, convertible securities, or other equity securities of any nature (including options, rights or interests in any ordinary shares) of the Rakon Group (**Additional Shares**) are issued, agreed to be issued or made the subject of any option or right to subscribe, in any such case in favour of any Shareholder and if the condition in paragraph 4.4(b) is waived and the Offer becomes unconditional then at Bourns' option either:

- (a) the Shareholder will be bound to transfer such shares or convertible shares, other securities or other rights and interests to Bourns without any additional consideration; or
- (b) if the Additional Shares are Shares, the Offer will extend to those Additional Securities and the consideration payable for each Share as set out in paragraph 2.1 will be proportionately reduced to take account of such issue such that the total aggregate consideration paid by Bourns under the Offer, if accepted in full, remains the same as would be the case if no such Additional Securities had been issued.

For the avoidance of doubt, this paragraph 5.3 does not apply to any Shares issued upon the valid exercise of the Share Rights.

5.4 Share consolidations and subdivisions: If all or any of the Shares are consolidated or subdivided on or after the Notice Date, then:

- (a) the Offer will be interpreted to take into account such consolidation or subdivision and will be deemed to be for the Shares resulting from such consolidation or subdivision;
- (b) the consideration per Share provided for under paragraph 2.1 will be increased or reduced, as the case may require, in proportion to such consolidation or subdivision; and
- (c) if the Holder has accepted or accepts the Offer, they will be bound to transfer such consolidated or subdivided Shares to Bourns on the basis of the consideration per share so increased or reduced.

6. METHOD OF SETTLEMENT

6.1 Nominated method of payment: Bourns will pay each Holder for their respective Shares or Share Rights by making an electronic funds transfer if:

- (a) this Offer is declared unconditional; and
- (b) a Shareholder's electronic acceptance or Acceptance Form is in order (or, in Bourns' discretion, is treated as valid or is rectified in accordance with paragraph 3.3),

to a New Zealand dollar account with a New Zealand registered bank specified by the Holder in the Acceptance Form. If your registered address is not in New Zealand, you can elect to be paid by electronic funds transfer in a currency other

than New Zealand dollars using InvestorPay by following the requirements for such a payment set out in the Acceptance Form.

6.2 No nominated method of payment: However, if:

- (a) this Offer is unconditional; and
- (b) an accepting Holder's desired account is not a New Zealand dollar account with a New Zealand registered bank; or
- (c) an accepting Holder does not provide sufficient details to Bourns for Bourns to make an electronic funds transfer to the Holder's nominated bank account,

Bourns will pay the amount payable to the Holder by electronic funds transfer to any existing New Zealand dollar bank account that the relevant Holder has advised to Rakon's share registrar (such as for dividend payments). If Bourns makes payment to you in accordance with this paragraph, it is not required to notify you that it has done so and will have no liability to you for its choice to do so.

6.3 No interest: In no circumstances will Bourns be liable to pay interest on any payment due to a Holder.

7. NOTICES

7.1 Notices: Notices given to Rakon, NZX and the Takeovers Panel:

- (a) declaring this Offer unconditional;
- (b) advising that this Offer is withdrawn in accordance with the Takeovers Code;
- (c) advising that a term or condition of this Offer has been waived; or
- (d) advising that this Offer has lapsed in accordance with its terms or the Takeovers Code,

will, in each case, be deemed to be notice to all Holders when so given.

7.2 Variation: Notice of any variation of this Offer will be sent to Rakon, NZX, the Takeovers Panel, and, except where not required in accordance with the Takeovers Code, to each Holder under this Offer.

7.2 The material terms of the Lock-Up Agreements entered into by Bourns and the Lock-Up Parties are:

- (a)** that the Offer would:
 - (i)** be made at a price of NZ\$1.55 in cash for each Share; and
 - (ii)** be subject to the other terms and conditions set out in this Offer Document;
- (b)** subject to the Offer being made by Bourns each Lock-Up Party agreed to accept, or procure the acceptance of, the Offer by the earlier of the date which is two working days after the date of despatch of the Offer to Rakon's Shareholders, as notified by Bourns under Rule 45 of the Takeovers Code and the working day after the date on which the Offer is received by that Lock-Up Party;
- (c)** nothing in the Lock-Up Agreement confers on Bourns the ability, or right, to hold or control the voting rights attaching to the Shares of the relevant Lock-Up Party and no party will become the holder or

controller of such voting rights except following payment of the purchase price to the relevant Lock-Up Party under the Offer;

- (d) the Lock-Up Parties agreed not to solicit, encourage, or engage in discussions or negotiations with any third party in relation to any alternative proposal concerning the Shares, and to cease any such discussions already underway;
- (e) the Lock-Up Parties each agreed that, unless the Lock-Up Agreement is terminated or the Offer lapses or is withdrawn, they would not dispose of, encumber or deal in any way with, any of the Shares which are subject to the Lock-Up Agreement, except to accept, or procure the acceptance of, the Offer or as otherwise provided in the Lock-Up Agreement;
- (f) a Lock-Up Party may terminate their Lock-Up Agreement by written notice to Bourns if Bourns does not make the Offer to Shareholders in accordance with the Lock-Up Agreement. The Lock-Up Agreement will also automatically terminate if Bourns withdraws the Offer in accordance with the Takeovers Code or the Offer lapses in accordance with its terms for any reason;
- (g) Notwithstanding this clause 7.2(g), if any Regulatory Conditions remain unfilled on the Unconditional Date and the Offer lapses in accordance with Rule 25(4) of the Takeovers Code and the parties agree, acting reasonably and based on legal advice, that it is reasonably likely that the Regulatory Condition will be satisfied, then the Lock-Up Agreements will not terminate and:
 - (i) Bourns will make a new Offer on the same terms updated to reflect changes in circumstances (**New Offer**) including by making any consequential amendments;
 - (ii) a Takeover Notice will be sent by Bourns to Rakon in compliance with Rule 41 of the Takeovers Code within 10 business days of the Unconditional Date which includes the terms of the New Offer.

The terms of the Lock Up Agreement (other than the term described above) will, with the necessary modifications, apply to the New Offer.

7.3 Other than as disclosed above, no person has agreed conditionally or unconditionally to accept the Offer as at the date of this Offer Document.

8. ARRANGEMENTS TO PAY CONSIDERATION

8.1 Bourns confirms that resources will be available to it sufficient to meet the consideration to be provided on full acceptance of the Offer and to pay any debts incurred in connection with the Offer (including debts arising under sections 47 to 53 of the Takeovers Act 1993).

8.2 A statement setting out the rights of each holder of Shares under Rule 34 of the Takeovers Code, to withdraw acceptances for non-payment by Bourns of the consideration, is set out in paragraph 2.4 of the Terms and Conditions of this Offer Document.

9. ARRANGEMENTS BETWEEN BOURNS AND RAKON

9.1 On 13 August 2024, Bourns and Rakon entered into a confidentiality agreement which was subsequently amended on 7 December 2025. Under the terms of the agreement:

(a) Bourns agreed to:

(i) keep confidential any information disclosed to Bourns by Rakon in connection with Bourns' intended proposal to make a full takeover offer for Rakon and to use the information obtained solely for that purpose; and

(ii) a standstill which restricted Bourns, for a period until 7 June 2026, from making a takeover offer for Rakon, purchasing or offering to purchase (including by way of takeover offer) any interest in securities or the business in Rakon and various similar restrictions, or entering into arrangement to do so,

without the consent of Rakon; and

(b) Rakon agreed that until 5.00 pm on 31 January 2026 it would not, and would procure that no member of the Rakon Group or any of their respective representatives would, directly or indirectly solicit, initiate or encourage any competing proposal or take any action that may reasonably be expected to encourage or lead to a competing proposal.

9.2 Except for the arrangements described in paragraphs 9.1 above, there is no other agreement or arrangement (whether legally enforceable or not) that has been made, or is proposed to be made, between Bourns or any associates of Bourns, and Rakon, or of any Related Company of Rakon, in connection with, in anticipation of, or in response to, this Offer.

10. ARRANGEMENTS BETWEEN BOURNS, AND DIRECTORS AND SENIOR MANAGERS OF RAKON

Except for Brent John Robinson (as outlined in paragraph 7 above), no agreement or arrangement (whether legally enforceable or not) has been made, or is proposed to be made, between Bourns or any associates of Bourns, and any of the directors or senior managers of Rakon or of any Related Company of Rakon (including any payment or other benefit proposed to be made or given by way of compensation for loss of office, or as to their remaining in or retiring from office), in connection with, in anticipation of, or in response to, the Offer.

11. FINANCIAL ASSISTANCE

No agreement or arrangement has been made, or is proposed to be made under which Rakon, or any Related Company of Rakon, will give (directly or indirectly) financial assistance for the purpose of, or in connection with, the Offer.

12. INTENTIONS ABOUT MATERIAL CHANGES TO RAKON

- 12.1** If Bourns becomes entitled to invoke the compulsory acquisition provisions of the Takeovers Code, it intends to compulsorily acquire all the outstanding equity securities in Rakon and apply for Rakon to be delisted from NZX.
- 12.2** If Bourns does not receive sufficient acceptances under the Offer to enable the compulsory acquisition provisions of the Takeovers Code to be invoked, and waives the condition in paragraph 4.1 of the Terms and Conditions of this Offer Document (which Bourns may or may not do, and Bourns expresses no intention in this regard) and declares the Offer unconditional, Bourns may seek appropriate representation on the Rakon Board and participate in decisions relating to Rakon through the Rakon Board.
- 12.3** If Bourns acquires any Share Rights under this Offer, Bourns intends that those Share Rights will not be exercised and will lapse or otherwise be treated in accordance with their terms following settlement. For the avoidance of doubt, the consideration payable for Share Rights accepted under this Offer will be paid in cash in accordance with paragraph 2.3.
- 12.4** Only after completion of the Offer and a detailed review of the Rakon Group, having regard to all material matters, including as to the level of acceptances under the Offer, will Bourns finally determine its intentions for the Rakon Group and take such steps as Bourns may consider appropriate. However, Bourns' current intentions about the business activities of the Rakon Group, and material changes to the material assets or capital structure of the Rakon Group are:
 - (a)** Rakon would become a new, complementary standalone division within Bourns' existing organisation with continued leadership by the existing Rakon management team;
 - (b)** Bourns has no current intentions to make any material changes in the immediate term to existing operating locations and activities within the Rakon Group;
 - (c)** Bourns intends to provide access to its global sales, distribution and operational footprint to support accelerated growth of the Rakon business by expanding access to Bourns' existing customer base;
 - (d)** Bourns intends to provide access to necessary capital investments based on Bourns' strong balance sheet to ensure successful implementation of Rakon's product development needs to execute its long-range growth plan;

(e) Bourns intends to leverage technology interchange and sharing of best practices to enhance Rakon's operational execution capabilities.

12.5 The above statements of intention represent Bourns' current intentions based on information that is known to Bourns as at the date of preparation of this Offer Document. Further information may become available to Bourns on completion of the Offer and if Bourns' Offer is successful, Bourns may take such other actions, or pursue such other strategies in relation to Rakon's business as Bourns considers appropriate.

12.6 The statements made under paragraph 12.4 are consistent with any information that has been given by Bourns to any regulatory body (in New Zealand or in an overseas jurisdiction).

13. PRE-EMPTION CLAUSES IN RAKON'S CONSTITUTION

Rakon's constitution does not contain any pre-emptive rights or similar provisions requiring a Holder to offer its Shares to any person prior to transferring those Shares.

14. ESCALATION CLAUSES

14.1 As at the date of this Offer Document, no agreement or arrangement to which Bourns is a party to (whether legally enforceable or not) has been made, or is proposed to be made, under which:

(a) any existing holder of equity securities in Rakon will or may receive in relation to, or as a consequence of, the Offer any additional consideration or other benefit over and above the consideration set out in the Offer; or

(b) any prior holder of equity securities in Rakon will or may receive any consideration or other benefit as a consequence of the Offer.

15. CLASSES OF FINANCIAL PRODUCTS

15.1 The consideration and the terms of the Offer for the Share Rights, which are non-voting securities, are considered to be fair and reasonable in compliance with Rule 8(4) of the Takeovers Code. The basis for that determination is that:

(a) the consideration for each Share is NZ\$1.55; and

(b) there is no amount payable by the holders of a Share Right to subscribe for a Share in Rakon under the terms of the Share Right.

15.2 Bourns has obtained a report by Simmons Corporate Finance concerning the fairness and reasonableness of the Offer in relation to the different classes of equity securities (**Report**). The Report will be sent to Holders with the target company statement. The Offer should be read in conjunction with the Report and the target company statement.

16. CERTIFICATE

16.1 To the best of our knowledge and belief, after making proper enquiry, the information contained in or accompanying the Takeover Notice is, in all material respects, true and correct and not misleading, whether by omission of any information or otherwise, and includes all the information required to be disclosed by Bourns under the Takeovers Code.

PAYPAL SERVICE (for Shareholders outside of New Zealand only):

- (a) Computershare offers a service to enable the New Zealand dollar consideration to be converted and paid electronically in certain other currencies. If your registered address is not in New Zealand and you wish to use this service, please contact Computershare (as detailed below). **Please note that this is a service offered solely by Computershare and does not form part of the Offer. We take no responsibility for, nor endorse or have any liability in respect of, the use of this service by you. Any currency conversion is undertaken at your own risk.**
- (b) *Payment in foreign currencies:* If you hold your shares on the NZX, live outside of New Zealand and would like your New Zealand dollar consideration to be converted and paid electronically in a foreign currency, please contact Computershare directly to request payment in a foreign currency. This service would be provided by PayPal Pte. Ltd (**PayPal**) utilising their subsidiary Hyperwallet Systems Inc and Computershare's product is referred to as InvestorPay. Once you have made this request to Computershare, you will be sent Computershare's terms and conditions for using the service, and a list of frequently asked questions (which includes details of the fees and the spread charge you will be charged for the service by Computershare and PayPal). Computershare will then arrange for PayPal to contact you in relation to the currency conversion service (once payment has been made).

If that service is not acceptable to you, you will need to advise Computershare of a New Zealand dollar account with a New Zealand registered bank so payment can be made to you by electronic transfer in New Zealand dollars. If the service is not acceptable to you and you are not able to provide a New Zealand dollar account with a New Zealand registered bank, we may choose to pay you by electronic funds transfer to any existing New Zealand dollar account that you have advised to Computershare (such as for dividend payments) which is known to us. If we choose to make payment to you in this manner, we are not obliged to notify you that we have done so and we will have no liability to you for our choice to do so.

The costs associated with using any such service (in the form of fees or any spread charge), which will be deducted by PayPal from the consideration that would otherwise be payable to you, and the relevant exchange rate that will apply will be a matter between you and Computershare and PayPal (should you elect to use this service). We do not guarantee that PayPal will be able to provide any such service referred to in this paragraph 10(b).

- (c) *Timing for payments:* For the purposes of clause [2.3] of the Offer, if you elect to use the currency conversion services outlined under paragraph 10(b) above, the timing for determining when we make payment to you will be when Computershare has paid your consideration in New Zealand dollars to PayPal. Any subsequent delay by PayPal in making payment to you, or the non-payment of the relevant consideration to you by PayPal, is entirely at your sole risk.

IF YOU ARE IN ANY DOUBT ABOUT THE PROCEDURES FOR ACCEPTANCES, PLEASE TELEPHONE COMPUTERSHARE INVESTOR ENQUIRIES ON 0800 991 101 (TOLL FREE WITHIN NEW ZEALAND) or +64 9 488 8794 BETWEEN 8:30AM to 5:00PM MONDAY TO FRIDAY (NZT).
