Independent Auditor's Review Report

To the shareholder of Nufarm Finance (NZ) Limited (Company)

Report on the interim condensed financial statements

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed financial statements on pages 7 to 16 do not:

- present fairly, in all material respects, the Company's financial position as at 31 March 2026 and its financial performance and cash flows for the 6 month period then ended and comply with New Zealand Equivalent to International Accounting Standard 34 Interim Financial Reporting (**NZ IAS 34**) issued by the New Zealand Accounting Standards Board.

We have completed a review of the accompanying interim condensed financial statements which comprise:

- the condensed statement of financial position as at 31 March 2026;
- the condensed statements of comprehensive income, changes in equity and cash flows for the 6 month period then ended; and
- notes, including material accounting policy information.

Basis for conclusion

We conducted our review of the interim condensed financial statements in accordance with NZ SRE 2410 (Revised) Review of Financial Statements Performed by the Independent Auditor of the Entity (**NZ SRE 2410 (Revised)**). Our responsibilities are further described in the *Auditor's responsibilities for the review of the interim condensed financial statements* section of our report.

We are independent of Nufarm Finance (NZ) Limited (Company) in accordance with the relevant ethical requirements in New Zealand relating to the audit of the annual financial statements and we have fulfilled our other ethical responsibilities in accordance with these ethical requirements.

Our firm has provided other services to the Company in relation to annual audit. Subject to certain restrictions, partners and employees of our firm may also deal with the Company on normal terms within the ordinary course of trading activities of the business of the Company. These matters have not impaired our independence as auditor of the Company. The firm has no other relationship with, or interest in, the Company.

Use of this Independent Auditor's Review Report

This report is made solely to the shareholder. Our review work has been undertaken so that we might state to the shareholder those matters we are required to state to them in the Independent Auditor's Review Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the shareholder for our review work, this report, or any of the conclusions we have formed.

Responsibilities of directors for the interim condensed financial statements

The directors on behalf of the Company are responsible for:

- the preparation and fair presentation of the interim condensed financial statements in accordance with NZ IAS 34; and
- For such internal control as directors determine is necessary to enable the preparation of interim condensed financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the review of the interim condensed financial statements

Our responsibility is to express a conclusion on the interim condensed financial statements based on our review.

NZ SRE 2410 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the interim condensed financial statements, taken as a whole, are not prepared, in all material respects, in accordance with NZ IAS 34.

A review of the interim condensed financial statements in accordance with NZ SRE 2410 (Revised) is a limited assurance engagement. The auditor performs procedures, consisting of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand) and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the interim condensed financial statements.

The engagement partner on the review resulting in this independent auditor's review report is Matthew Wilcox.

NUFARM FINANCE (NZ) LIMITED

**NOTES TO THE CONDENSED FINANCIAL STATEMENTS
FOR THE 6 MONTHS ENDED 31 MARCH 2026**

NOTE 1: STATEMENT OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

(b) Accounting standards issued but not yet effective

A number of new and amended accounting standards and interpretations have been issued but are not yet effective for the period ended 31 March 2026 and have not been early adopted by the Company.

NZ IFRS 18 Presentation and Disclosures in Financial Statements

NZ IFRS 18, effective for annual periods beginning on or after 1 January 2027, will replace NZ IAS 1. It introduces a revised structure for the statement of profit or loss, including new categories and a defined operating profit subtotal, and requires disclosure of management defined performance measures (MPMs) in a single note. The operating profit subtotal will also serve as the starting point for the indirect method in the statement of cash flows. The Company is assessing the impact of these changes on its financial statement presentation and disclosures.

Other accounting standards

The following new and amended accounting standards are not expected to have a significant impact on the Company's financial statements:

- Classification and Measurement of Financial Instruments (Amendments to NZ IFRS 9 and NZ IFRS 7).
- Annual Improvements to NZ IFRS Accounting Standards 2024.

(c) Going concern

The condensed financial statements of the Company have been prepared on a going concern basis, which assumes the realisation of assets and extinguishment of liabilities in the ordinary course of business. Nufarm Limited, the parent company, has provided the letter of support stating that they will continue to provide ongoing financial support to enable the Company to meet its liabilities as and when they fall due for a period of not less than 12 months from the date of signing the condensed financial statements for the six month period ended 31 March 2026. The going concern basis is considered appropriate by the Directors having regard to the Company's, and Nufarm Limited's, access to appropriate lines of credit to support its working capital and general corporate financing requirements. Refer to note 5 for further discussion regarding liquidity risk.

(d) Segment reporting

The Company acts as a financing company for the Nufarm Limited Group. It operates solely within the financing industry in New Zealand. It is listed in both Australia and New Zealand as the Nufarm Step-up Securities were issued to holders in both countries.

The Directors have considered the application of NZ IFRS 8 Operating Segments and are of the opinion that the operations of the Company are substantially similar to one another and that the risks and returns of these operations are likewise similar. Resource allocation and the management of the operation is performed on an aggregated basis as reported to the CODM (being the Board of Directors) and as such the Company is considered to be a single aggregated business and therefore no additional segment information is presented.
