Foley Wines Limited 2026 Harvest

Foley Wines Limited [NZX: FWL] CEO Mike Higgins today announced that the company has completed its harvest for the 2026 vintage. The harvest totalled 8,012 tonnes across the Grove Mill and Vavasour wineries in Marlborough, Te Kairanga and Martinborough Vineyard wineries in Martinborough and Mt Difficulty winery in Central Otago, an overall decrease of 7% on last year's harvest of 8,638 tonnes.

“Our goal is to make great wine that people love to drink around the world, and our dedicated team of viticulturists and winemakers have yet again delivered across our three regions. I am incredibly excited about the quality of the wines we have produced this vintage. While yields were slightly down on last year, they are right in the sweet spot for delivering exceptional quality from both our own vineyards and our grower partners.”

– Stu Marfell, Chief Group Winemaker

Authorised for public release.
