- 13 September 2028, which have a fixed interest rate of 3.30% per annum and are currently quoted on the NZX Debt Market under ticker code OCA020,

(together, the **Existing Bonds**).

The Existing Bonds have been continuously quoted on the NZX Debt Market over the preceding three months and trading in the Existing Bonds has not been suspended for a total of more than five trading days during that three month period.

- (a) the continuous disclosure obligations that apply to it in relation to the Existing Bonds; and
- (b) its financial reporting obligations (as defined in clause 20(5) of Schedule 8 of the Regulations).

As at the date of this notice, there is no information that is "excluded information" required to be disclosed for the purposes of the Regulations.

As at the date of this notice, there is no information that would be required to be disclosed under a continuous disclosure obligation or which would be excluded information for the purposes of the Regulations if the Existing Bonds had had the same interest rate or maturity date as the Bonds.
