About WasteCo

WasteCo is a national waste solution company, processing and diverting liquid and solid waste from landfill. It provides comprehensive solutions for household, commercial, industrial and local authority customers. The company provides waste and sorting options as well as waste remediation, sweeping and industrial cleaning services – all delivered using leading edge technology and highly trained customer-focused staff.

Important Notice

This announcement does not constitute investment or financial product advice, nor is it a recommendation to acquire new shares. It is not intended to be used as the basis for making a financial decision, nor is it intended to constitute legal, tax, accounting or other advice. You should make your own enquiries and investigations regarding any investment, and should seek your own professional advice on the legal, financial, accounting, taxation and other consequences of investing in WasteCo.

This announcement is not a prospectus, product disclosure statement or any other disclosure or offering document under New Zealand law or any other law. This announcement is for information purposes only and is not an invitation or offer of securities for subscription, purchase or sale in any jurisdiction and neither this announcement nor anything in it shall form any part of any contract for the acquisition of new shares.
