

Stella Passage development consent appealed

Port of Tauranga's Stella Passage development resource consent, issued on 7 September under the Fast-track Approvals Act, has been appealed by tangata whenua parties.

Port of Tauranga (NZX:POT) has been notified of an appeal and a judicial review application so far.

Port of Tauranga Chief Executive, Leonard Sampson, said the appeals were disappointing but not unexpected.

"The urgency of this project is unchanged, and we will be seeking the earliest possible court hearing," he said.
