10. **PAYPAL SERVICE (for Shareholders outside of New Zealand only):**
 - (a) Computershare offers a service to enable the New Zealand dollar consideration to be converted and paid electronically in certain other currencies. If your registered address is not in New Zealand and you wish to use this service, please contact Computershare (as detailed below). **Please note that this is a service offered solely by Computershare and does not form part of the Compulsory Acquisition process. We take no responsibility for, nor endorse or have any liability in respect of, the use of this service by you. Any currency conversion is undertaken at your own risk.**
 - (b) *Payment in foreign currencies:* If you hold your shares on the NZX, live outside of New Zealand and would like your New Zealand dollar consideration to be converted and paid electronically in a foreign currency, please contact Computershare directly to request payment in a foreign currency. This service would be provided by PayPal Pte. Ltd (**PayPal**) utilising their subsidiary Hyperwallet Systems Inc and Computershare's product is referred to as InvestorPay. Once you have made this request to Computershare, you will be sent Computershare's terms and conditions for using the service, and a list of frequently asked questions (which includes details of the fees and the spread charge you will be charged for the service by Computershare and PayPal). Computershare will then arrange for PayPal to contact you in relation to the currency conversion service (once payment has been made).

If that service is not acceptable to you, you will need to advise Computershare of a New Zealand dollar account with a New Zealand registered bank so payment can be made to you by electronic transfer in New Zealand dollars. If the service is not acceptable to you and you are not able to provide a New Zealand dollar account with a New Zealand registered bank, we may choose to pay you by electronic funds transfer to any existing New Zealand dollar account that you have advised to Computershare (such as for dividend payments) which is known to us. If we choose to make payment to you in this manner, we are not obliged to notify you that we have done so and we will have no liability to you for our choice to do so.

The costs associated with using any such service (in the form of fees or any spread charge), which will be deducted by PayPal from the consideration that would otherwise be payable to you, and the relevant exchange rate that will apply will be a matter between you and Computershare and PayPal (should you elect to use this service). We do not guarantee that PayPal will be able to provide any such service referred to in this paragraph 10(b).
 - (c) *Timing for payments:* if you elect to use the currency conversion services outlined under paragraph 10(b) above, the timing for determining when we make payment to you will be when Computershare has paid your consideration in New Zealand dollars to PayPal. Any subsequent delay by PayPal in making payment to you, or the non-payment of the relevant consideration to you by PayPal, is entirely at your sole risk.
