TAH confirms acquisition of Cicada Health Limited

Third Age Health Services Limited is pleased to announce the acquisition of a 70% stake in Cicada Health Limited (Cicada Health).

Cicada Health provides medical services to aged residential care facilities in the Bay of Plenty region. This acquisition is intended as a bolt-on to Third Age Health's existing Aged Residential Care (ARC) business.

The total consideration for the 70% stake is \$875,000 (prior to working capital adjustments), of which \$218,750 is deferred for 12 months. The acquisition is expected to be funded using the company's line of credit, and completion is scheduled for 1 September 2025.

About Third Age Health

Third Age Health is New Zealand's only specialised provider of general practice health care services for older people living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for 90 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing quality primary healthcare to people of all ages.
