Request for trading halt: New Talisman Gold Mines Limited (NZX Code: NTL)

We request a trading halt be applied to our financial products (Ordinary Shares) under NZX Listing Rule 9.9.1(a) and set out below details of the request as per the rules of NZX.

We would like the trading halt to commence immediately.

Reasons for trading halt, including impact of event on fair orderly or transparent markets: The NTL Board must meet to consider the Company's current financial position and its strategic path forward. The Board cannot reach a conclusion until it has heard from a potential investor who will advise us on their position early next week.

How long we want the trading halt to last and why: The earlier of two business days or an announcement by the Board

The event we expect to happen that will end the trading halt: an announcement by the NTL Board in relation to the Company's financial position and its strategic path forward.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely
