TOURISM HOLDINGS LIMITED (thl)

SENIOR MANAGER CHANGE

Tourism Holdings Limited (NZX:THL, ASX:THL, “*thl*” or “the Company”) advises that Kate Meldrum, current Chief Operating Officer – North America, has been appointed to the newly created role of Group Chief Operating Officer.

Kate is an experienced executive with over 20 years’ service at *thl*, most recently as Chief Operating Officer – North America since 2024, and previously as Chief Operating Officer – Australia. In her career with *thl*, Kate has also held various roles with group-wide responsibility for people and capability, revenue, marketing and sales.

thl does not intend to backfill the Chief Operating Officer – North America role. Anthony Kayaleh, currently Vice President, USA Operations, has been appointed Chief Operating Officer – USA.

These changes enable the next phase of operational synergies and ongoing cost saving opportunities, through a deeper sharing of global best practice and further operational consistency across the group.

The changes will take effect during April 2026.
