

For Release: 14 May 2026

Issue of EUR 750 million of Subordinated Notes

Notice under section 708A(12H)(e) of the Corporations Act 2001 (Cwlth)

Today Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) (“**ANZBGL**”) will issue EUR 750 million subordinated notes due 14 May 2038 pursuant to its US\$60 billion Euro Medium Term Note Programme (the “**Subordinated Notes**”).

The Subordinated Notes convert into fully paid ordinary shares of ANZ Group Holdings Limited (ABN 16 659 510 791) (“**ANZGHL**”) (“**ANZGHL Ordinary Shares**”) where the Australian Prudential Regulation Authority (“**APRA**”) determines this to be necessary on the grounds that ANZBGL would otherwise become non-viable.

This notice is given jointly by ANZBGL and ANZGHL. It is a cleansing notice prepared for the purposes of section 708A(12H)(e) of the Corporations Act 2001 (Cwlth) (“**Corporations Act**”) (as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2026/88) to enable ANZGHL Ordinary Shares or Approved NOHC Ordinary Shares¹ issued on conversion of the Subordinated Notes to be freely tradeable without further disclosure and includes:

1. in Schedule 1, the description of the rights and liabilities attaching to the Subordinated Notes that has been extracted from the Information Memorandum dated 20 November 2025 as supplemented (the “**Information Memorandum**”);
2. in Schedule 2, commercial particulars of the Subordinated Notes, extracted from the Pricing Supplement for the Subordinated Notes dated 12 May 2026; and
3. in Schedule 3, the description of the rights and liabilities attaching to ANZGHL Ordinary Shares.

Words and expressions defined in Schedule 1 have the same meanings in the remainder of this cleansing notice unless the contrary intention appears.

The issue of Subordinated Notes by ANZBGL will not have a material impact on ANZBGL’s or ANZGHL’s financial position. If a Non-Viability Trigger Event occurs and ANZGHL issues ANZGHL Ordinary Shares, the impact of Conversion on ANZGHL would be to increase ANZGHL’s shareholders’ equity. The number of ANZGHL Ordinary Shares issued on Conversion is limited to the Maximum Conversion Number. The Maximum Conversion Number is 22,401.4337 ANZGHL Ordinary Shares per Subordinated Note (with a nominal value of EUR 100,000), based on the Issue Date VWAP² of EUR 22.32.

As a disclosing entity, ANZGHL is subject to regular reporting and disclosure obligations under the Corporations Act and ASX Listing Rules. Broadly, these obligations require ANZGHL to prepare and lodge with the Australian Securities and Investments Commission (“**ASIC**”) both yearly and half yearly financial statements and to report on its operations during the relevant accounting period, and to obtain an audit or review report from its auditor.

Copies of documents lodged with ASIC may be obtained from or inspected at an ASIC office.

ANZGHL must ensure that the ASX is continuously notified of information about specific events and matters as they arise for the purposes of the ASX making the information available to the Australian securities market. In this regard, ANZGHL has an obligation under the ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information concerning it of which it becomes aware, which a reasonable person would expect to have a material effect on the price or value of its quoted securities.

ANZGHL will provide a copy of any of the following documents free of charge to any person who requests a copy:

¹ Refer to Schedule 1 for the meaning of “Approved NOHC Ordinary Shares” in the context of the Subordinated Notes.

² Average of the daily volume weighted average sale prices of ANZGHL Ordinary Shares. Refer to Schedule 1 for the meaning of “Issue Date VWAP” and “VWAP Period” in the context of the Subordinated Notes.

- the Information Memorandum;
- any continuous disclosure notices given by ANZGHL in the period after the lodgement of the annual financial report of ANZGHL for the year ended 30 September 2025 and before the date of this notice;
- ANZGHL's annual financial report for the year ended 30 September 2025;
- ANZGHL's unaudited condensed consolidated financial statements for the half-year ended 31 March 2026; and

Either (i) the full text of these conditions together with the applicable provisions of the relevant Pricing Supplement or (ii) these conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on all Bearer Notes in definitive form or on the Certificates relating to Registered Notes in definitive form. Wording which appears in italics in the text does not form part of the terms and conditions.

This Note is one of a Series (as defined below) of Notes issued by either Australia and New Zealand Banking Group Limited ("**ANZBGL**"), ANZ Bank New Zealand Limited ("**ANZ Bank New Zealand**") or ANZ New Zealand (Int'l) Limited, acting through its London branch ("**ANZNIL**"), as specified in the relevant Pricing Supplement. References herein to "**Notes**" shall be references to the Notes of this Series.

The Notes are issued pursuant to an Amended and Restated Agency Agreement dated 20 November 2025 (as further amended and/or supplemented and/or restated as at the Issue Date of the Notes, the "**Agency Agreement**") between the Issuers, ANZ Bank New Zealand as guarantor of the Notes issued by ANZNIL (the "**Guarantor**"), Deutsche Bank AG, London Branch as fiscal agent, calculation agent, paying agent and transfer agent and Deutsche Bank Trust Company Americas and Deutsche Bank Luxembourg S.A. as registrar and transfer agent and with the benefit of a Deed of Covenant dated 21 November 2023 (the "**Deed of Covenant**") executed by the Issuers in relation to the Notes. The fiscal agent, paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent, and, if applicable, the CMU Lodging Agent and the CMU Paying Agent, for the time being appointed under Condition 6(e)), the "**Registrar**", the "**Transfer Agents**" and the "**Calculation Agent(s)**". The Guarantor has, for the benefit of the holders from time to time of the Notes issued by ANZNIL, executed and delivered a Deed of Guarantee dated 21 November 2023 (as amended and/or supplemented and/or restated from time to time, the "**Deed of Guarantee**") under which it has unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due by ANZNIL under or in respect of the Notes issued by ANZNIL as and when the same shall become due and payable. Copies of the Agency Agreement, the Deed of Covenant, the Deed of Guarantee and the Deed of Undertaking are available for inspection at the specified offices of each of the Paying Agents (if more than one), the Registrar and the Transfer Agents.

The Noteholders, the holders (the "**Couponholders**") of the interest coupons (the "**Coupons**") appertaining to interest-bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "**Talons**") and the holders (the "**Receiptholders**") of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Notes in bearer form of which the principal is payable in instalments are bound by and are deemed to have notice of all of the provisions of the Agency Agreement, the Deed of Covenant, the Deed of Guarantee and the Deed of Undertaking applicable to them.

As used herein, "**Tranche**" means Notes which are identical in all respects (including as to listing) and "**Series**" means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single Series and (ii) are identical in all respects (including as to listing) except for the respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Pricing Supplement for this Note (or the relevant provisions thereof) is endorsed on this Note and completes these Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, replace or modify these Conditions for the purposes of this Note. References herein to the "**Pricing Supplement**" are to the Pricing Supplement (or the relevant provisions thereof) endorsed on this Note.

Words and expressions defined in the Agency Agreement or used in the Pricing Supplement shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the

Pricing Supplement, the Pricing Supplement will prevail.

1. Form, Denomination and Title

The Notes are issued (i) in bearer form ("**Bearer Notes**") or (ii) in registered form ("**Registered Notes**"), in each case in the Specified Currency and the Specified Denomination(s). All Registered Notes shall have the same Specified Denomination. "**Specified Denomination**" means the amount specified as such in (or calculated in accordance with the provisions of) the relevant Pricing Supplement as it may be adjusted, in the case of the Subordinated Notes, in accordance with Condition 5A.4.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, a Range Accrual Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note, a Subordinated Note, a combination of any of the foregoing or any other relevant type of Note (as permitted by these Conditions), depending upon the Interest Basis or Redemption/Payment Basis shown in the Pricing Supplement. Notes issued as Subordinated Notes must not be Zero Coupon Notes, Range Accrual Notes, Inverse Floating Rate Notes, Index Linked Interest Notes, Index Linked Redemption Notes, Instalment Notes, Dual Currency Notes, CMS Rate Notes or any combination of any of the foregoing.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall, subject to mandatory rules of law, pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Certificate, Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered, "**Unsubordinated Noteholder**" means the Noteholder of a Unsubordinated Note and the Receipts relating to it, "**Subordinated Noteholder**" means the Noteholder of a Subordinated Note issued by ANZBGL and the Receipts relating to it, and "**holder**" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered.

2. Exchange and Transfers of Notes

(a) Exchange of Notes

Registered Notes may not be exchanged for Bearer Notes and vice versa. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. *Transfer of Registered Notes*

Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and such other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(b) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery five business days after receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the location of the specified office of the Registrar or the relevant Transfer Agent (as the case may be).

(d) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax, duty or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Issuer, the Registrar or the relevant Transfer Agent may require).

(e) *Closed Period*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(e), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3. **Status and Guarantee**

The Notes may be unsubordinated Notes ("**Unsubordinated Notes**") or, where the Issuer is ANZBGL, subordinated Notes ("**Subordinated Notes**") as specified in the relevant Pricing Supplement.

None of the Notes are deposit liabilities or protected accounts of ANZBGL for the purposes of the Banking Act 1959 of Australia (the "**Banking Act**").

(a) *Unsubordinated Notes*

The Unsubordinated Notes and the Receipts and Coupons relating to them constitute direct, unconditional and unsecured obligations of the Issuer and (save for certain debts of the Issuer required to be preferred by law, including but not limited to, where the Issuer is ANZBGL, those referred to in Division 2 and 2AA of Part II of the Banking Act and section 86 of the Reserve Bank Act 1959 of Australia) rank *pari passu* among themselves and equally with all other unsubordinated, unsecured obligations of the Issuer.

The debts which are preferred by law to the claim of a Noteholder in respect of a Note, including by virtue of the provisions referred to in the above paragraph of Condition 3, will be substantial and are

not limited by the Conditions of the Notes. Without limitation to other applicable laws, in the case of Notes issued by ANZBGL, section 13A(3) of the Banking Act provides that, in the event ANZBGL becomes unable to meet its obligations or suspends payment, its assets in Australia are to be available to meet ANZBGL's liabilities in the following order: (i) liabilities to the Australian Prudential Regulation Authority ("APRA") in respect of any payments that APRA makes or is liable to make to (A) holders of protected accounts under the Banking Act or (B) a body corporate pursuant to a determination made by APRA in connection with a transfer of the ADI's business to that body corporate (where that transfer includes liabilities of the ADI in respect of protected accounts) under the Financial Sector (Transfer and Restructure) Act 1999 of Australia, (ii) debts in respect of costs of APRA in certain circumstances, (iii) ANZBGL's liabilities in Australia in relation to protected accounts (as defined in the Banking Act) kept with ANZBGL, (iv) debts due to the Reserve Bank of Australia ("RBA"), (v) liabilities under certain certified industry support contracts; and (vi) all other liabilities of ANZBGL in their order of priority apart from section 13A(3). Changes to applicable law may extend the debts required to be preferred by law.

The Unsubordinated Notes rank senior to the Issuer's subordinated obligations, including, where the Issuer is ANZBGL, the Subordinated Notes.

(b) *Subordinated Notes — ANZBGL*

The Subordinated Notes and the Receipts and Coupons relating to them may only be issued by ANZBGL, and will constitute direct, unsecured and subordinated obligations of ANZBGL. In the event of the winding-up of ANZBGL (see Condition 10 (*Subordination*)) and prior to the commencement of the winding-up of ANZBGL (see Condition 4(t)) the Principal Amount of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will rank behind all claims of Senior Creditors, and subject to Conditions 5A to 5C (inclusive) *pari passu* with Equal Ranking Securities and ahead of Junior Ranking Securities.

"**Equal Ranking Securities**" means any present or future instrument that ranks in a winding-up of ANZBGL as the most junior claim in the winding-up of ANZBGL ranking senior to Junior Ranking Securities, and includes any instruments issued as Relevant Tier 2 Securities.

"**Junior Ranking Securities**" means any present or future instrument:

- (i) issued as Tier 1 Capital; and
- (ii) that by its terms is, or is expressed to be, subordinated in a winding up of ANZBGL to the claims of Subordinated Noteholders and holders of Equal Ranking Securities.

"**Senior Creditors**" means all present and future creditors of ANZBGL (including but not limited to depositors of ANZBGL whose claims:

- (i) would be entitled to be admitted in the winding up of ANZBGL; and
- (ii) are not in respect of Equal Ranking Securities or Junior Ranking Securities.

Neither ANZBGL nor a Subordinated Noteholder has any contractual right to set off any sum at any time due and payable to a Subordinated Noteholder or ANZBGL (as applicable) under or in relation to the Subordinated Notes against amounts owing by the Subordinated Noteholder to ANZBGL or by ANZBGL to the Subordinated Noteholder (as applicable).

The Subordinated Notes do not limit the amount of liabilities ranking senior to the Subordinated Notes which may be hereafter incurred or assumed by ANZBGL.

Claims of Subordinated Noteholders are also subject to the priority of certain debts preferred by law (in respect of which please see the description provided in Condition 3(a) above).

(c) *Guarantee — by ANZ Bank New Zealand (in respect of Notes issued by ANZNIL)*

Where the relevant Issuer is ANZNIL, the Guarantor has in the Deed of Guarantee unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due by ANZNIL under or in respect of the Notes as and when the same shall become due and payable. This Guarantee of the Notes constitutes

direct, unconditional and unsecured obligations of the Guarantor which (save for certain debts of the Guarantor required to be preferred by law) will at all times rank *pari passu* among themselves and equally with all other unsecured obligations (other than subordinated obligations) of the Guarantor. The Notes issued by ANZ Bank New Zealand and ANZNIL are not guaranteed by ANZBGL.

4. Interest and other Calculations

(a) Interest on Fixed Rate Notes

- (i) Each Fixed Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Pricing Supplement as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.
- (ii) If a Fixed Coupon Amount or a Broken Amount is specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the Pricing Supplement.
- (iii) *Calculation of Interest Amount:* The Interest Amount payable in respect of each Note for any period for which a Fixed Coupon Amount or Broken Amount is not specified in the Pricing Supplement shall be calculated by applying the Rate of Interest to the Calculation Amount for such Note, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest unit of the Specified Currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen, and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose, a "unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means 0.01 euro, as the case may be.
- (iv) *Business Day Convention:* If "Business Day Convention – Adjusted" is specified to be applicable in the relevant Pricing Supplement, (a) any Interest Payment Date otherwise falling on a day which is not a Business Day (as defined in Condition 4(q) below) will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Pricing Supplement (as described below) and (b) the amount of interest payable on such Interest Payment Date will be adjusted accordingly and the provisions of subparagraphs (i) and (j) (excluding the determination and notification of the Rate of Interest) below shall apply, *mutatis mutandis*, as though references to "Floating Rate Notes" were to "Fixed Rate Notes" and references to "Interest Amounts" were to amounts of interest payable in respect of Fixed Rate Notes. If "Business Day Convention – No Adjustment" is specified to be applicable in the relevant Pricing Supplement, any Interest Payment Date otherwise falling on a day which is not a Business Day will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Pricing Supplement (as described below) and there will be no corresponding adjustment of the amount of interest payable on such Interest Payment Date.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

- (i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Pricing Supplement as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then that date will be adjusted in accordance with the Business Day Convention specified in the relevant Pricing Supplement. If "No Adjustment of Interest Amounts" is specified to be applicable in the relevant Pricing Supplement then notwithstanding the bringing forward or postponement (as applicable) of an Interest Payment Date as a result of the application of the Business Day Convention set out in the relevant Pricing Supplement, the Interest Amount in respect of the relevant Interest Period and each subsequent Interest Period shall be calculated as aforesaid on the basis of the original Interest Payment Dates without adjustment in accordance with the applicable Business Day Convention.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes, other than in the case of (x) BKBM Notes, provisions in respect of which are set out in Condition 4(d) below, (y) CMS Rate Notes, provisions in respect of which are set out in Condition 4(e) below and (z) Inverse Floating Rate Notes, provisions in respect of which are set out in Condition 4(f) below (unless in each case the relevant Pricing Supplement specifies otherwise), for each Interest Accrual Period shall be determined in the manner specified in the Pricing Supplement and the provisions below relating to either ISDA Determination, Screen Rate Determination, BBSW Rate Determination or AONIA Rate Determination shall apply depending upon which is specified in the Pricing Supplement.

(A) *ISDA Determination for Floating Rate Notes*

If ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) if the Pricing Supplement specifies either "2006 ISDA Definitions" or "2021 ISDA Definitions" as the applicable ISDA Definitions:

 - (2) if Compounding with Observation Period Shift is specified as the Compounding Method in the relevant Pricing Supplement then (a)

- (F) if the specified Floating Rate Option is an Overnight Floating Rate Option, Averaging is specified to be applicable in the relevant Pricing Supplement and:

- (iii) if the Pricing Supplement specifies "2021 ISDA Definitions" as being applicable:

- (A) "Administrator/Benchmark Event" shall be disappplied; and
 - (B) if the Temporary Non-Publication Fallback in respect of any specified Floating Rate Option is specified to be "Temporary Non-Publication Fallback – Alternative Rate" in the Floating Rate Matrix of the 2021 ISDA Definitions the reference to "Calculation Agent Alternative Rate Determination" in the definition of "Temporary Non-Publication Fallback – Alternative Rate" shall be replaced by "Temporary Non-Publication Fallback – Previous Day's Rate".
- (iv) Unless otherwise defined in these Conditions, capitalised terms used in this Condition 4(b)(iii)(A) shall have the meaning ascribed to them in the ISDA Definitions.

In respect of Floating Rate Notes other than Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is SONIA, (Non-Index Determination), SONIA (Index Determination), SOFR (Non-Index Determination), SOFR (Index Determination), €STR (Non-Index Determination), €STR (Index Determination), CORRA or TONA:

- (x) if Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be (subject to Condition 4(n) (*Benchmark Replacement*) and Condition 4(o) (*Effect of Benchmark Transition Event*)) (as determined by the Calculation Agent) on the following basis:
 - (I) if the Reference Rate is a composite quotation or a quotation customarily supplied by one entity, the Calculation Agent will determine the Reference Rate for the Specified Maturity and the Specified Currency which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date; or
 - (II) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates for the Specified Maturity and the Specified Currency which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (y) if sub-paragraph (x)(I) applies and no Reference Rate for the Specified Maturity and the Specified Currency appears on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two Reference Rates appear on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if, in either case, the Relevant Screen Page is unavailable, subject as provided below:
 - (A) the Issuer will appoint a Reference Banks Agent and the Reference Banks Agent will, at the request of the Issuer, request the principal Relevant Financial Centre office of each of the Reference Banks (or such of them, being at least two, as are so quoting) to provide a quotation of the Reference Rate for the Specified Maturity and the Specified Currency at approximately the Relevant Time on the Interest Determination Date to leading banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time and will provide such responses to the Calculation Agent; and
 - (B) the Calculation Agent will determine the arithmetic mean of such quotations.

(z) if paragraph (y) above applies and the Reference Banks Agent advises the Calculation Agent that fewer than two Reference Banks are so quoting the Reference Rate for the Specified Maturity and the Specified Currency, subject as provided below, the Calculation Agent shall determine the arithmetic mean of the rates per annum (expressed as a percentage) quoted by at least two out of five leading banks selected by the Reference Banks Agent (after consultation with the Issuer) in the Principal Financial Centre of the country of the Specified Currency and in an amount that is representative for a single transaction in that market at that time, in each case as selected by the Reference Banks Agent (after consultation with the Issuer), at or about the Relevant Time for a period commencing on the Effective Date equivalent to the relevant Interest Accrual Period, for loans in the Specified Currency to leading banks carrying on business in (I) Europe, or (II) (if the Reference Banks Agent advises the Calculation Agent that fewer than two of such banks are so quoting to such leading banks in Europe), the Principal Financial Centre, in either case, as provided by the Reference Banks Agent to the Calculation Agent; provided, however, that if fewer than two of such banks are so quoting to such leading banks or the Reference Banks Agent or the Calculation Agent (as the case may be) is unable to determine a rate or (as the case may be) the Calculation Agent is unable to determine an arithmetic mean in accordance with the above provisions on any Interest Determination Date, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum Rate of Interest or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(C) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is SONIA (Non-Index Determination):*

Where the Reference Rate is specified in the applicable Pricing Supplement as being "SONIA (Non-Index Determination)", the Rate of Interest for each Interest Period will, as provided below, be Compounded Daily SONIA as calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest).

"**Compounded Daily SONIA**" means, in relation to any Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average (SONIA) as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

"**d**" is the number of calendar days in the relevant Interest Accrual Period;

"**d_o**" is the number of London Banking Days in the relevant Interest Accrual Period;

"**i**" for any Interest Accrual Period is a series of whole numbers from 1 to d_o, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in such Interest Accrual Period;

"**London Banking Day**" or "**LBD**" means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"**Observation Look-Back Period**" is as specified in the applicable Pricing Supplement which shall, unless otherwise agreed with the Calculation Agent (or such other person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest), be no less than five London Banking Days;

"**p**", for any Interest Accrual Period, the number of London Banking Days included in the Observation Look-Back Period, as specified in the applicable Pricing Supplement, which shall, unless otherwise agreed with the Calculation Agent (or such other person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest), be no less than five London Banking Days;

the "**SONIA reference rate**", in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average ("**SONIA**") rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors (on the London Banking Day immediately following such London Banking Day); and

"**SONIA_{i-pLBD}**" means, in respect of any London Banking Day falling in the relevant Interest Accrual Period, the SONIA reference rate for the London Banking Day falling "**p**" London Banking Days prior to the relevant London Banking Day "**i**".

If, in respect of any relevant London Banking Day, the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) determines that the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, then (unless the Calculation Agent or such other person specified in the applicable Pricing Supplement as the party responsible for determining the Rate of Interest) has been notified of any successor or alternative rate (together with any relevant methodology or adjustment factor) pursuant to Condition 4(n) (*Benchmark Replacement*), such SONIA reference rate shall be: (i) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Period).

If the relevant Series of Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

- (D) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is SONIA (Index Determination):*

Where the Reference Rate is specified in the applicable Pricing Supplement as being "SONIA (Index Determination)", the Rate of Interest for each Interest Period will, subject as provided below, be the Compounded Daily SONIA, as determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date.

For the purposes of this Condition:

"**Compounded Daily SONIA**" means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average (SONIA) as the reference rate for the calculation of interest) by reference to the SONIA Compounded Index, which will be calculated by the Calculation Agent, as at the relevant Interest Determination Date as follows, and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards:

If the relevant SONIA Compounded Index is not published or displayed by the administrator of the SONIA reference rate or other information service by 5.00 p.m. (London time) (or, if later, by the time falling one hour after the customary or scheduled

time for publication thereof in accordance with the then-prevailing operational procedures of the administrator of the Reference Rate or of such other information service, as the case may be) on the relevant Interest Determination Date, the Rate of Interest shall be calculated for the Interest Period for which the SONIA Compounded Index is not available as if "SONIA (Non-Index Determination)" were specified as applicable in the Pricing Supplement and for these purposes the "Observation Look-Back Period" shall be deemed to be equal to the Relevant Number of Business Days, as if that alternative election had been made in the applicable Pricing Supplement. For the avoidance of doubt, if a Benchmark Disruption Event has occurred in respect of the relevant SONIA Compounded Index, the provisions of Condition 4(n) (*Benchmark Replacement*) shall apply.

Where the Reference Rate is specified in the applicable Pricing Supplement as being €STR (Index Determination) the Rate of Interest for each Interest Period will, subject as provided below, be the Compounded Daily €STR Rate as determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date.

For the purposes of this Condition:

"**Compounded Daily €STR Rate**" means, in relation to an Interest Period, the rate of return of a daily compound interest investment (with the daily euro short-term rate ("€STR") as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date in accordance with the following formula, and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left(\frac{\text{€STR Index}_{End}}{\text{€STR Index}_{Start}} - 1 \right) \times \frac{360}{d}$$

where:

"**Designated Source**" means, the €STR Administrator's Website (or any successor source being such other screen page, display page or other information service of a distributor or other information service provider that is authorised by the €STR Administrator to publish or otherwise make available the €STR Index):

"**€STR Administrator**" has the meaning set out in Condition 4(b)(iii)(G) above;

"**€STR Index**" means, with respect to any T2 Business Day, the screen rate or index for compounded daily €STR rates provided by the €STR Administrator that is published, displayed or made available on the Designated Source on the relevant Interest Determination Date;

"**€STR Index_{start}**" means, with respect to an Interest Period, the €STR Index determined in relation to the day falling "p" T2 Business Days prior to the first day of such Interest Period;

"**€STR Index_{End}**" means with respect to an Interest Period, the €STR Index determined in relation to the day falling "p" T2 Business Days prior (A) to the Interest Payment Date for such Interest Period; or (B) such earlier date, if any, on which the Notes become due and payable;

"**d**" means the number of calendar days from (and including) the day in relation to which €STR Index_{Start} is determined to (but excluding) the day in relation to which €STR Index_{End} is determined;

"**p**" is the number of T2 Business Days included in the Observation Look-back Period specified in the applicable Pricing Supplement; and

"**T2 Business Day**" means any day on which the T2 System (as defined in Condition 4(q)) is open.

If the relevant €STR Index is not published, displayed or made available on the Designated Source by 5.00 p.m. (Central European Time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then prevailing operational procedures of the €STR Administrator of €STR or such other information service provider, as the case may be) on the relevant Interest Determination Date, the Compounded Daily €STR Rate for the applicable Interest Period for which the €STR Index is not available shall be "Compounded Daily €STR" determined in accordance with Condition 4(b)(iii)(G) (€STR (Non-Index Determination)), and for these purposes: (i) the "Observation Method" shall be deemed to be "Observation Shift" and (ii) the "Observation Look-Back Period" shall be deemed

to be equal to "p" T2 Business Days, as if those alternative elections had been made in the applicable Pricing Supplement.

If any Notes in respect of which €STR (Index Determination) is specified as the Reference Rate in the applicable Pricing Supplement become due and payable in accordance with Condition 9 (Events of Default), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

For the avoidance of doubt, if a Benchmark Disruption Event has occurred in respect of the relevant €STR Reference Rate, the provisions of Condition 4(n) (*Benchmark Replacement*) shall apply.

(I) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is CORRA*

Where the Reference Rate is specified in the applicable Pricing Supplement as being CORRA, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be Compounded Daily CORRA, as determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date.

For the purposes of this Condition:

"**Compounded Daily CORRA**" means with respect to an Interest Accrual Period the rate of return of a daily compounded interest investment during the Observation Period corresponding to such Interest Accrual Period (with the daily Canadian Dollar overnight repurchase rate as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the relevant Interest Determination Date, as follows and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{CORRA_{i-pTBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

Where:

"**d**" means the number of calendar days in the relevant Interest Accrual Period;

"**d_o**" means the number of Toronto Business Days in the relevant Interest Accrual Period;

"**i**" means a series of whole numbers from 1 to d_o, each representing the relevant Toronto Business Day in chronological order from, and including, the first Toronto Business Day in the relevant Interest Accrual Period;

"**n_i**" means, in relation to any Toronto Business Day "i", the number of calendar days from, and including, such Toronto Business Day "i" up to, but excluding, the following Toronto Business Day;

"**Observation Period**" means, in respect of the relevant Interest Accrual Period, the period from, and including, the date falling "p" Toronto Business Days prior to the first day of the relevant Interest Accrual Period (and the first Interest Accrual Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling "p" Toronto Business Days prior to the Interest Payment Date for such Interest Accrual Period (or the date falling "p" Toronto Business Days prior to such earlier date, if any, on which the Notes become due and payable);

"p" means, for any Interest Accrual Period, the number of Toronto Business Days by which an Observation Period precedes an Interest Accrual Period, as specified in the relevant Pricing Supplement (or, if no such number is specified, five (5) Toronto Business Days);

"**Toronto Business Day**" means a day on which Schedule I banks under the Bank Act (Canada) are open for general business in the city of Toronto, Canada;

The "**CORRA reference rate**", with respect to any Toronto Business Day, is a reference rate equal to the daily Canadian Overnight Repo Rate Average ("**CORRA**") rate for that day, as published by the Bank of Canada, as the administrator of such rate (or any successor administrator of such rate) on the website of the Bank of Canada or any successor website, in each case as it appears on the Bank of Canada website at 11:00 am, Toronto time, on the Toronto Business Day immediately following that day; and

"**CORRA_i-pTBD**" means, in respect of any Toronto Business Day "i" falling in the relevant Interest Accrual Period, the CORRA reference rate for the Toronto Business Day falling "p" number of Toronto Business Days prior to the relevant Toronto Business Day "i".

(x) *Fallbacks*

If, in respect of any Toronto Business Day in the relevant Observation Period, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the Pricing Supplement) determines that the applicable CORRA reference rate is not available or has not otherwise been published by the authorised administrator and there has been no Benchmark Disruption Event, then:

- (i) the CORRA reference rate shall be equal to the prevailing Bank of Canada target for the overnight rate as displayed on the Bank of Canada website (or any successor website or official publication of the Bank of Canada) on such Toronto Business Day or, if the Bank of Canada does not target a single rate, the mid-point of the target range set by the Bank of Canada and so published (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range, rounded, if necessary, to the nearest second decimal place, 0.005 being rounded upwards); and
- (ii) if no such overnight rate exists the CORRA reference rate in respect of such Toronto Banking Day shall be the CORRA reference rate in respect of the last Toronto Business Day for which such CORRA reference rate was published by the authorised administrator.

Subject to the provisions of Condition 4(n) (*Benchmark Replacement*), if the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the Pricing Supplement) and there has not been a Benchmark Disruption Event, the Rate of Interest shall be:

- (iii) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or

- (iv) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

(y) *General*

If the Notes become due and payable in accordance with 9 (*Events of Default*), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on the Notes shall, for so long as any such Notes remain outstanding, be determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Accrual Period had been shortened accordingly.

(J) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is TONA*

- (a) Where the Reference Rate is specified in the applicable Pricing Supplement as being TONA, the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily TONA, as determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date.

“**Compounded Daily TONA**” means, with respect to an Interest Period, the rate determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest), as applicable, on the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the fifth decimal place, with 0.000005 being rounded upwards):

- (I) if the Observation Method is specified as being “Lookback” in the applicable Pricing Supplement:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{TONA}_{-p\text{TBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where

“**d**” is the number of calendar days in the relevant Interest Period;

“**d₀**” is the number of Tokyo Banking Days in the relevant Interest Period;

“**i**” is a series of whole numbers from 1 to **d₀**, each representing the relevant Tokyo Banking Day in chronological order from, and including, the first Tokyo Banking Day in the relevant Interest Period;

“**n_i**”, for any Tokyo Banking Day “**i**” in the relevant Interest Period, is the number of calendar days from (and including) such Tokyo Banking Day “**i**” up to (but excluding) the following Tokyo Banking Day (“**i+1**”); and

“**TONA-pTBD**” means, in respect of any Tokyo Banking Day “**i**” falling in the relevant Interest Period, the TONA Reference Rate for the Tokyo Banking Day falling “**p**” Tokyo Banking Days prior to such Tokyo Banking Day “**i**”; or

- (II) if the Observation method is specified as being “Observation Shift” is specified in the applicable Pricing Supplement:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{TONA}_{-i} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

Where:

“**d**” is the number of calendar days in the relevant TONA Observation Period;

“**d₀**” is the number of Tokyo Banking Days in the relevant TONA Observation Period;

“**i**” is a series of whole numbers from 1 to **d₀**, each representing the relevant Tokyo Banking Day in chronological order from, and including, the first Tokyo Banking Day in the relevant TONA Observation Period;

“**n_i**”, for any Tokyo Banking Day “**i**” in the relevant TONA Observation Period, is the number of calendar days from (and including) such Tokyo Banking Day “**i**” up to (but excluding) the following Tokyo Banking Day (“**i+1**”); and

“**TONA_i**” means, in respect of any Tokyo Banking Day “**i**” falling in the relevant TONA Observation Period, the TONA Reference Rate for such Tokyo Banking Day.

(b) *Correction of TONA*

If the TONA Reference Rate in respect of any Tokyo Banking Day is subsequently corrected and provided by the administrator of TONA to authorised distributors of TONA and published on the Relevant Screen Page no later than the Correction Cutoff Time (if any) or, if later (or there is no such Correction Cutoff Time), one hour after the rate for such Tokyo Banking Day is published on the Relevant Screen Page, then TONA in respect of such Tokyo Banking Day shall be the subsequently corrected and published rate appearing on the Relevant Screen Page,

Where:

“**Correction Cut-off Time**” means the time specified as such by the administrator of TONA in the TONA benchmark methodology.

(c) *TONA Index Cessation Event*

If the Issuer determines at any time prior to the TONA Reference Time on any Tokyo Banking Day that a TONA Index Cessation Event has occurred, then the TONA Reference Rate in respect of each Tokyo Banking Day falling on or after the TONA Index Cessation Effective Date will be the JPY Recommended Rate.

If there is a JPY Recommended Rate before the end of the first Tokyo Banking Day following the TONA Index Cessation Effective Date, but neither the administrator nor authorised distributors provide or publish the JPY Recommended Rate, then, subject to the below, in respect of any day for which the JPY Recommended Rate is required, references to the JPY Recommended Rate will be deemed to be references to the last provided or published JPY Recommended Rate. However, if there is no last provided or published JPY Recommended Rate, then in respect of any day for which the JPY Recommended Rate is required, references to the JPY Recommended Rate will be deemed to be references to the last provided or published TONA.

The Issuer shall notify the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest), and, in accordance with Condition 14 (*Notices*), the Noteholders of any determination by the Issuer of a TONA Index Cessation Event and of any applicable JPY Recommended Rate.

If:

- (I) there is no JPY Recommended Rate before the end of the first Tokyo Banking Day following the TONA Index Cessation Effective Date; or
- (II) there is a JPY Recommended Rate and a JPY Recommended Rate Index Cessation Effective Date subsequently occurs in respect of such JPY Recommended Rate,

then the rate in respect of each Tokyo Banking Day falling on or after the TONA Index Cessation Effective Date or a JPY Recommended Rate Fixing Day occurring on or after the JPY Recommended Rate Index Cessation Effective Date, as the case may be, will be such alternative rate for the TONA Reference Rate or the JPY Recommended Rate, as the case may be, as is determined by the Issuer in accordance with Condition 4(n) (*Benchmark Replacement*).

"**TONA Reference Rate**" means the rate determined by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) in respect of a Tokyo Banking Day, being a reference rate equal to the daily TONA for such Tokyo Banking Day as provided by the administrator of TONA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) in each case as of approximately 10:00 a.m. (Tokyo time) (or any amended publication time as specified by the administrator of such rate) on the Tokyo Banking Day immediately following such Tokyo Banking Day. If no such rate is published by the administrator of TONA or an authorised distributor and is not otherwise

(K) *BBSW Rate Determination and AONIA Rate Determination*

(x) *General*

- (i) Where BBSW Rate Determination or AONIA Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate of Interest is to be determined for each Interest Period, the Rate of Interest applicable to the Floating Rate Notes for each such Interest Period is the sum of the Margin and either (a) the BBSW Rate or (b) the AONIA Rate as specified in the relevant Pricing Supplement.
- (ii) Each Noteholder shall be deemed to acknowledge, accept and agree to be bound by, and consents to, the determination of, substitution for and any adjustments made to the BBSW Rate or the AONIA Rate, as applicable, in each case as described in this Condition 4(b)(iii)(K)(x) and Condition 4(b)(iii)(K)(y) (in all cases without the need for any Noteholder consent). Any determination, decision or election (including a decision to take or refrain from taking any action or as to the occurrence or non-occurrence of any event or circumstance), and any substitution for and adjustments made to, the BBSW Rate or the AONIA Rate, as applicable, and in each case made in accordance with this Condition 4(b)(iii)(K)(x) and Condition 4(b)(iii)(K)(y), will, in the absence of manifest or proven error, be conclusive and binding on the Issuer, the holder of the relevant Notes and each Calculation Agent and, notwithstanding anything to the contrary in these Conditions or other documentation relating to the Notes, shall become effective without the consent of any person.
- (iii) If the Calculation Agent is unwilling or unable to determine a necessary rate, adjustment, quantum, formula, methodology or other variable in order to calculate the applicable Rate of Interest, such rate, adjustment, quantum, formula, methodology or other variable will be determined by the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternate financial institution (acting in good faith and in a commercially reasonable manner) appointed by the Issuer (in its sole discretion) to so determine.
- (iv) All rates determined pursuant to this Condition 4(b)(iii)(K) shall be expressed as a percentage rate per annum and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.00005 being rounded upwards.
- (y) *BBSW and AONIA Benchmark Rate fallback*

If:

- (i) a Temporary Disruption Trigger has occurred; or
- (ii) a Permanent Discontinuation Trigger has occurred,

then, subject to APRA's prior written approval in the case of Subordinated Notes, the Benchmark Rate for an Interest Period, whilst such Temporary Disruption Trigger is continuing or after a Permanent Discontinuation Trigger has occurred, means (in the following order of application and precedence):

- (iii) where BBSW Rate is the Applicable Benchmark Rate, if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
 - (A) first, the Administrator Recommended Rate;
 - (B) then the Supervisor Recommended Rate; and
 - (C) lastly, the Final Fallback Rate;
- (iv) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (iii) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (v) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (iii) or (iv) above, if a Temporary Disruption Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);
- (vi) where BBSW Rate is the Applicable Benchmark Rate, if a Permanent Discontinuation Trigger has occurred with respect to the BBSW Rate, the rate for any day for which the BBSW Rate is required on or after the Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
 - (A) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;
 - (B) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and
 - (C) lastly, if neither paragraph (A) nor paragraph (B) above apply, the Final Fallback Rate;
- (vii) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (vi)(A) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:

- (A) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and
 - (B) lastly, if paragraph (A) above does not apply, the Final Fallback Rate; and
- (viii) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (vi) or (vii) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

Subordinated Noteholders should note that APRA's approval may not be given for any Fallback Rate, and any terms and other relevant methodology for calculating such Fallback Rate (including any adjustment factor to the Fallback Rate) it considers to have the effect of increasing the Rate of Interest contrary to applicable prudential standards.

For the purposes of this Condition 4(b)(iii)(K):

"Adjustment Spread" means the adjustment spread as at the Adjustment Spread Fixing Date (which may be a positive or negative value or zero and determined pursuant to a formula or methodology) that is:

- (a) determined as the median of the historical differences between the BBSW Rate and AONIA over a five calendar year period prior to the Adjustment Spread Fixing Date using practices based on those used for the determination of the Bloomberg Adjustment Spread as at 1 December 2022, provided that for so long as the Bloomberg Adjustment Spread is published and determined based on the five year median of the historical differences between the BBSW Rate and AONIA, that adjustment spread will be deemed to be acceptable for the purposes of this paragraph (a); or
- (b) if no such median can be determined in accordance with paragraph (a), set using the method for calculating or determining such adjustment spread determined by the Issuer (acting in good faith and in a commercially reasonable manner) to be appropriate and communicated to the Calculation Agent;

"Adjustment Spread Fixing Date" means the first date on which a Permanent Discontinuation Trigger occurs with respect to the BBSW Rate;

"Administrator" means:

- (a) in respect of the BBSW Rate, ASX Benchmarks Pty Limited (ABN 38 616 075 417);
- (b) in respect of AONIA (or where AONIA is used to determine an Applicable Benchmark Rate), the Reserve Bank of Australia; and
- (c) in respect of any other Applicable Benchmark Rate, the administrator for that rate or benchmark or, if there is no administrator, the provider of that rate or

benchmark, and, in each case, any successor administrator or, as applicable, any successor administrator or provider;

"Administrator Recommended Rate" means the rate formally recommended for use as the temporary replacement for the BBSW Rate by the Administrator of the BBSW Rate;

"AONIA" means the Australian dollar interbank overnight cash rate (known as AONIA);

"AONIA Rate" means, for an Interest Period and in respect of a BBSW/AONIA Interest Determination Date, the rate determined by the Calculation Agent to be Compounded Daily AONIA for that Interest Period and BBSW/AONIA Interest Determination Date, plus, if determining the AONIA Rate for the purposes of a fallback from the BBSW Rate, the Adjustment Spread;

"Applicable Benchmark Rate" means the Benchmark Rate specified in the relevant Pricing Supplement and, if a Permanent Fallback Effective Date has occurred with respect to the BBSW Rate, AONIA or the RBA Recommended Rate, then the rate determined in accordance with Condition 4(b)(iii)(K)(y) (*BBSW and AONIA Benchmark Rate fallback*);

"BBSW/AONIA Interest Determination Date" means, in respect of an Interest Period:

- (a) where the BBSW Rate applies or the Final Fallback Rate applies under paragraph (iii)(C) of Condition 4(b)(iii)(K)(y) (*BBSW and AONIA Benchmark Rate fallback*), the first day of that Interest Period; and
- (b) otherwise, the fifth Business Day prior to the last day of that Interest Period;

"BBSW Rate" means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the AVG MID on the 'Refinitiv Screen ASX29 Page' or "MID" rate on the 'Bloomberg Screen BBSW Page' (or any designation which replaces that designation on the applicable page, or any replacement page) at the Publication Time on the first day of that Interest Period;

"Benchmark Rate" means, for an Interest Period, either the BBSW Rate or the AONIA Rate as specified in the relevant Pricing Supplement;

"Bloomberg Adjustment Spread" means the term adjusted AONIA spread relating to the BBSW Rate provided by Bloomberg Index Services Limited (or a successor provider as approved and/or appointed by ISDA from time to time as the provider of term adjusted AONIA and the spread) ("BISL") on the Fallback Rate (AONIA) Screen (or by other means), or provided to, and published by, authorised distributors where "Fallback Rate (AONIA) Screen" means the Bloomberg Screen corresponding to the Bloomberg ticker for the fallback for the BBSW Rate accessed via the Bloomberg Screen <FBAK> <GO> Page (or, if applicable, accessed via the Bloomberg Screen <HP> <GO>) or any other published source designated by BISL;

"Compounded Daily AONIA" means, with respect to an Interest Period, the rate of return of a daily compound interest investment as calculated by the Calculation Agent on the BBSW/AONIA Interest Determination Date, as follows:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{AONIA_{i-5\text{SBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

"AONIA_{i-5SBD}" means the per annum rate expressed as a decimal which is the level of AONIA provided by the Administrator and published as of the Publication Time for the Sydney Business Day falling five Sydney Business Days prior to such Sydney Business Day "i";

"d" is the number of calendar days in the relevant Interest Period;

"d₀" is the number of Sydney Business Days in the relevant Interest Period;

"i" is a series of whole numbers from 1 to d₀, each representing the relevant Sydney Business Day in chronological order from (and including) the first Sydney Business Day in the relevant Interest Period to (and including) the last Sydney Business Day in such Interest Period; and

"n_i" for any Sydney Business Day "i", means the number of calendar days from (and including) such Sydney Business Day "i" up to (but excluding) the following Sydney Business Day; and

"**Sydney Business Day**" or "**SBD**" means any day on which commercial banks are open for general business in Sydney.

If, for any reason, Compounded Daily AONIA needs to be determined for a period other than an Interest Period, Compounded Daily AONIA is to be determined as if that period were an Interest Period starting on (and including) the first day of that period and ending on (but excluding) the last day of that period;

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (after, as well as before, judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date.

(k) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding*

- (i) If any Margin or Rate Multiplier is specified in the Pricing Supplement (either (A) generally, or (B) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (A), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (B), calculated in accordance with (b) or (c) above, by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying such Rate Multiplier, subject always to the next paragraph;

- (ii) If any Maximum Rate of Interest or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the Pricing Supplement, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be;
- (iii) Subject to the requirements of applicable law, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (A) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (B) all figures shall be rounded to seven decimal places (with halves being rounded up) and (C) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen. For these purposes "**unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means 0.01 euro, as the case may be; and
- (iv) The Pricing Supplement in respect of any Notes issued as Subordinated Notes must not specify a Rate Multiplier, Maximum Rate of Interest, Minimum Rate of Interest or Instalment Amount.

(l) *Calculations*

Unless otherwise specified in the Pricing Supplement, the amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding Principal Amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in the Pricing Supplement in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(m) *Determination and Publication of Rate of Interest, Interest Amounts, Final Redemption Amounts and Instalment Amounts*

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount or Instalment Amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, the Guarantor (if applicable), each of the Paying Agents, the Noteholders, the Registrar, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange (and/or admitted to listing, trading and/or quotation on any other listing venue, stock exchange and/or quotation system) and the rules of such listing venue, stock exchange and/or quotation system so require, such listing venue, stock exchange and/or quotation system as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to Condition 4(a)(iv) or Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period. If the Calculation Amount is less than the minimum Specified Denomination, the Calculation Agent shall not be obligated to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination. If the Notes become due and payable under Condition 9 (*Events of Default*), the accrued interest and the Rate of Interest payable in respect of the Notes shall, subject, in the case of €STR (Non-Index Determination), to Condition 4(b)(iii)(H)(y) and in the case of CORRA, to Condition 4(b)(iii)(I)(y), in the case of TONA, to Condition 4(b)(iii)(J)(y), nevertheless continue to be calculated as previously in accordance with this Condition but no publication

of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) or such other person specified in the applicable Pricing Supplement as the party responsible for making any such calculation or determination shall (in the absence of manifest error) be final and binding upon all parties.

(n) **Benchmark Replacement**

This Condition 4(n) (*Benchmark Replacement*) applies where the relevant Reference Rate specified in the applicable Pricing Supplement is a rate other than SOFR (Non-Index Determination) or SOFR (Index Determination), BBSW Rate Determination or AONIA Rate Determination. Notwithstanding the provisions above in Conditions 4(b), (d), (e) and (f), if the Issuer (in consultation with the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Disruption Event has occurred when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to such Reference Rate affected by the Benchmark Disruption Event, then the following provisions shall apply:

(i) **Independent Adviser**

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Independent Adviser determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(n)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(n)(iv)) and any Benchmark Amendments (in accordance with Condition 4(n)(v)).

(ii) **Successor Rate or Alternative Rate**

If the Independent Adviser, following consultation with the Issuer and acting in good faith and in a commercially reasonable manner, determines, no later than the IA Determination Cut-off Date that: (A) there is a Successor Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Successor Rate (subject to adjustment as provided in Condition 4(n)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(n)); or (B) there is no Successor Rate but that there is an Alternative Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Alternative Rate (subject to adjustment as provided in Condition 4(n)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(n)).

(iii) **Issuer Determination**

If the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by it fails to determine a Successor Rate or Alternative Rate prior to the IA Determination Cut-off Date, then, if it elects to do so, the Issuer (acting in good faith and in a commercially reasonable manner) may determine a Successor Rate or Alternative Rate for the purposes of Condition 4(n)(ii);

(iv) **Adjustment Spread**

If the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Independent Adviser (or the Issuer as the case may be) shall notify the Calculation Agent of such Adjustment Spread and the Calculation Agent shall apply it to the Successor Rate or the Alternative Rate (as the case may be).

(v) **Benchmark Amendments**

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(n) and the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner,

determines (i) that amendments to these Conditions and/or the Agency Agreement and/or any other agreement or document relating to the Notes are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "Benchmark Amendments") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(n)(vi), without any requirement for the consent or approval of Noteholders, at the Issuer's expense, vary these Conditions and/or the Agency Agreement and/or any other agreement or document relating to the Notes as is necessary to give effect to such Benchmark Amendments with effect from the date specified in such notice. The Fiscal Agent and/or each other party to an applicable agreement shall not be obliged to concur if in their opinion doing so would impose more onerous obligations on them or expose them to any additional duties, responsibilities or liabilities or reduce or amend their rights and/or the protective provisions afforded to them in these Conditions or in any other document to which they are a party in any way. For the avoidance of doubt, no consent of the Noteholders of the relevant Series shall be required in connection with effecting the Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Agency Agreement (if required). In connection with any such variation in accordance with this Condition 4(n)(v), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(vi) **Notices, etc.**

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(n) will be notified promptly, and in any event not later than the fifth Business Day prior to the Interest Determination Date by the Issuer to the Fiscal Agent, the Calculation Agent, and each other party to the Agency Agreement and the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any, and will be binding on the Issuer, the Fiscal Agent, the Calculation Agent and each other party to the Agency Agreement and the Noteholders.

Notwithstanding any other provision of this Condition 4(n), if in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4(n), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability to any person for not doing so.

(vii) **Survival of Reference Rate**

Without prejudice to the provisions of this Condition 4(n), the Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(n)(v).

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(n), in determining any Adjustment Spread or other relevant methodology for the purposes of Condition 4(n)(iii), the Issuer shall not and shall not be obliged to apply and may discount any Adjustment Spread or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 or Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

In the case of Subordinated Notes only, any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments determined in accordance with Condition 4(n)(ii), (iii), (iv) or (v) (*Benchmark Replacement*), will be subject to the prior written approval of APRA having been obtained in each case.

Subordinated Noteholders should note that APRA's approval may not be given for any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments it considers to have the effect of increasing the Interest Rate contrary to applicable prudential standards.

For the purposes of this Condition 4(n) (*Benchmark Replacement*):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions or is in customary market usage in the debt capital market for transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be) (or if the Independent Adviser (or the Issuer as the case may be) determines that no such industry standard is recognised or acknowledged);
- (iii) the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), in its discretion, and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser (or the Issuer as the case may be) determines in accordance with Condition 4(n)(ii) has replaced the Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes.

"Benchmark Amendments" has the meaning given to it in Condition 4(n)(v).

"IA Determination Cut-Off Date" means no later than five Business Days prior to the relevant Interest Determination Date relating to the next relevant Interest Period.

"Benchmark Disruption Event" means:

- (i) the relevant Reference Rate specified in the relevant Pricing Supplement has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or
- (ii) the Issuer determines after consulting with the Independent Adviser (if so appointed) that, a change in the generally accepted market practice in the international debt capital markets to refer to a Reference Rate is endorsed in a public statement by a Relevant Nominating Body, despite the continued existence of the applicable Reference Rate.

"Reference Rate" means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes or any Successor Rate or Alternative Rate which has been determined in relation to such benchmark or screen rate (as applicable) pursuant to the operation of this Condition.

"Relevant Nominating Body" means, in respect of a Reference Rate:

- (i) the central bank for the currency to which the Reference Rate relates, or any central bank or other supervisory authority which is responsible for administering or supervising the administrator of the Reference Rate;

"Successor Rate" means a successor to or replacement of the Reference Rate which is formally recommended by any Relevant Nominating Body.

(o) *Effect of Benchmark Transition Event*

This Condition 4(o) (*Effect of Benchmark Transition Event*) applies where the relevant Reference Rate specified in the applicable Pricing Supplement is SOFR (Non-Index Determination) or SOFR (Index Determination) (and for the avoidance of doubt, any subsequent Benchmark determined as a result of a Benchmark Replacement determination):

(i) **Benchmark Replacement**

If the Issuer or its designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(ii) **Benchmark Replacement Conforming Changes**

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

(iii) **Decisions and Determinations**

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(o) (*Effect of Benchmark Transition Event*), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, (x) will be conclusive and binding absent manifest error, (y) will be made in the Issuer or its designee's sole discretion, and, (z) notwithstanding anything to the contrary in the in these Conditions or any other documentation relating to the Notes, shall become effective without consent from the Noteholders or any other party.

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(o) (*Effect of Benchmark Transition Event*) in determining any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment or for the purposes of making any other determination for the purposes of this Condition, the Issuer shall not and shall not be obliged to apply and may discount any factor or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 in the European Union or as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

In the case of Subordinated Notes only, any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment determined in accordance with this Condition 4(o) (*Effect of Benchmark Transition Event*), will be subject to the prior written approval of APRA having been obtained in each case.

Subordinated Noteholders should note that APRA's approval may not be given for any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment it considers to have the effect of increasing the Interest Rate contrary to applicable prudential standards.

For the purposes of this Condition 4(o) (*Effect of Benchmark Transition Event*):

"Benchmark" means, initially, the relevant Reference Rate specified in the applicable Pricing Supplement where such Reference Rate is specified to be SOFR (Index Determination) or SOFR (Non-Index Determination); provided that if the Issuer or its designee determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR (Index Determination) or SOFR (Non-Index Determination) (or the published daily SOFR or SOFR Index used in the calculation thereof), as applicable, or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

- (ii) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (a) the alternate rate of interest that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark (for the applicable Corresponding Tenor, if any) giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

"Final Accreting Payment Period" means a period specified in the Pricing Supplement.

Where such calculation referred to in sub-paragraph (A) of this sub-paragraph (ii) is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction set out in the Pricing Supplement.

(iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(b) or (c) or upon it becoming due and payable as provided in Condition 9 (*Events of Default*) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein, in the case of sub-paragraph (A), to the date on which the Note becomes due and payable or, in the case of sub-paragraph (B), the Early Redemption Date, were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (after, as well as before, judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(j).

(e) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

If a Call Option is included in the Pricing Supplement and subject to Condition 5(j) in the case of any Subordinated Note, the Issuer may, on giving not less than five or more than 30 days' irrevocable notice (subject to such other notice period as may be specified in the Pricing Supplement under "Option Exercise Date(s)") to the Noteholders redeem, or exercise any Issuer's option (as may be described in the Pricing Supplement) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date (which, in the case of a Subordinated Note, may not be before the fifth anniversary of the Issue Date of that Subordinated Note). Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise of the Issuer's option shall only relate to Notes of a Principal Amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Pricing Supplement and no greater than the Maximum Redemption Amount to be redeemed specified in the Pricing Supplement.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements. So long as the Notes are admitted to listing, trading and/or quotation on any listing venue, stock exchange and/or quotation system and the rules of the relevant listing venue, stock exchange and/or quotation system so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in London (which is expected to be the *Financial Times*), or as specified by such other listing venue, stock exchange and/or quotation system, a notice specifying the aggregate principal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(f) *Clean-Up Redemption at the option of the Issuer (Clean-Up Call)*

If a Clean-Up Call is specified as being applicable in the relevant Pricing Supplement and 75 per cent or more in aggregate Principal Amount of the relevant Series of Notes issued has been redeemed or purchased and cancelled, the Issuer may at any time, at its option, on giving not less than five or more than 30 days' notice to the Noteholders of the relevant Series (which notice shall specify the date for redemption and shall be irrevocable), redeem all, but not some only, of those Notes outstanding on the Residual Redemption Date, at their Residual Redemption Amount together with any accrued but unpaid interest to, but excluding, the Residual Redemption Date.

A Clean-up Call may not be specified in the Pricing Supplement in respect of Subordinated Notes.

(g) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options*

If a Put Option is specified in the Pricing Supplement, the Issuer shall, at the option of the holder of such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (subject to such other notice period as may be specified in the Pricing Supplement, under "Option Exercise Date(s)"), redeem such Note on the Optional Redemption Date(s) so provided at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Noteholder's option that may be set out in the Pricing Supplement the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer, except that such Note or Certificate will be returned to the relevant Noteholder by the Paying Agent, the Registrar or Transfer Agent with which it has been deposited if, prior to the due date for its redemption or the exercise of the option, the Note becomes immediately due and payable or if upon due presentation payment of the redemption moneys is not made or exercise of the option is denied.

A Put Option may not be specified in the Pricing Supplement in respect of Subordinated Notes.

(h) *Purchases*

Where ANZBGL is the Issuer of this Note, ANZBGL is taken to represent as at the date of issue of this Note, that it does not know, or have any reasonable grounds to suspect, that this Note or any interest in this Note is being or will later be, acquired either directly or indirectly by an Offshore Associate of ANZBGL (acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of this Note or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia ("**Corporations Act**")).

"**Offshore Associate**" means an associate (as defined in section 128F of the Australian Tax Act) of ANZBGL that is either a non-resident of Australia which does not acquire the Notes in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires the Notes in carrying on business at or through a permanent establishment outside of Australia.

Except in the case of Subordinated Notes, the Issuer, the Guarantor and any of their respective subsidiaries may, to the extent permitted by applicable laws and regulations, at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise. Notes so purchased by the Issuer, the Guarantor or any of their respective subsidiaries may be surrendered by the purchaser through the Issuer to the Fiscal Agent or any Paying Agent for cancellation or may at the option of the Issuer, the Guarantor or the relevant subsidiary be held or resold.

In the case of Subordinated Notes, subject to Condition 5(j), ANZBGL and any of its Related Entities may, to the extent permitted by applicable laws and regulations, at any time purchase Subordinated Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise. Subordinated Notes so purchased by

ANZBGL or any of its Related Entities may be surrendered by the purchaser through ANZBGL to the Fiscal Agent or any Paying Agent for cancellation or may at the option of ANZBGL or the relevant Related Entity be held or resold.

(i) *Cancellation*

All Notes redeemed by the Issuer or surrendered by the purchaser through the Issuer for cancellation pursuant to Condition 5(g) shall be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to, or to the order of, the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(j) *Approval of APRA*

Notwithstanding anything to the contrary in this Condition 5, ANZBGL may not (i) redeem any Subordinated Notes under paragraph (b), (c) or (e) above or (ii) prior to the Maturity Date purchase, or procure that any of its Related Entities purchase, any Subordinated Notes under paragraph (g) above, without the prior written approval of APRA and ANZBGL will not be permitted to redeem any Subordinated Notes unless:

- (a) the Subordinated Notes are replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Subordinated Notes is done under conditions that are sustainable for ANZBGL's income capacity; or
- (b) APRA is satisfied that ANZBGL's capital position at Level 1, Level 2 and, if applicable, Level 3 (each as defined in Condition 5E.1 below) is well above its minimum capital requirements after ANZBGL elects to redeem the Subordinated Notes.

Subordinated Noteholders should not expect that APRA's approval will be given for any redemption or purchase of Subordinated Notes.

5A. Conversion or Write-Off of Subordinated Notes on Non-Viability Trigger Event

5A.1. Application to Subordinated Notes only

Conditions 5A, 5B and 5C apply only to Subordinated Notes. Schedule 1 to these Conditions (including the defined terms contained in Schedule 1) shall be deemed to form part of, and be incorporated in, Condition 5B.

5A.2 Non-Viability Trigger Event

A "Non-Viability Trigger Event" means the earlier of:

- (i) the issuance to ANZBGL of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that ANZBGL would become non-viable; or
- (ii) a determination by APRA, notified to ANZBGL in writing, that without a public sector injection of capital, or equivalent support, ANZBGL would become non-viable,

each such determination being a "Non-Viability Determination".

5A.3 Conversion or Write-Off of Subordinated Notes on Trigger Event Date

If a Non-Viability Trigger Event occurs:

- (i) on the Trigger Event Date, subject only to Condition 5B.5, such Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as

specified in the Pricing Supplement) as is required by the Non-Viability Determination provided that:

- (a) where the Non-Viability Trigger Event occurs under Condition 5A.2(i) and such Non-Viability Determination does not require all Relevant Securities to be converted into Ordinary Shares or written-off, such Principal Amount of the Subordinated Notes shall Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is sufficient (determined by ANZBGL in accordance with Condition 5A.3(ii)) to satisfy APRA that ANZBGL is viable without further conversion or write-off; and
 - (b) where the Non-Viability Trigger Event occurs under Condition 5A.2(ii), all the Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement);
- (ii) ANZBGL will determine the Principal Amount of Subordinated Notes which must be Converted or Written-Off (as applicable) in accordance with Condition 5A.3(i)(a), on the following basis:
- (a) first, convert into Ordinary Shares or write-off all Relevant Tier 1 Securities; and
 - (b) secondly, if conversion into Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of Condition 5A.3(i)(a) (and provided that as a result of the conversion or write-off of Relevant Tier 1 Securities APRA has not withdrawn the Non-Viability Determination), Convert or Write-Off (as applicable) a Principal Amount of Subordinated Notes and convert into Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of ANZBGL, fair and reasonable (subject to such adjustment as ANZBGL may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of Ordinary Shares and the authorised denominations of the Principal Amount of any Subordinated Note or the number or principal amount of other Relevant Tier 2 Securities remaining on issue, and the need to effect the conversion immediately) and, for the purposes of this Condition 5A.3(ii)(b), where the specified currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, ANZBGL may treat them as if converted into a single currency of ANZBGL's choice at such rate of exchange as ANZBGL in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;

- (iii) on the Trigger Event Date, ANZBGL shall determine the Subordinated Notes or portions thereof as to which the Conversion or Write-Off (as applicable) is to take effect and in making that determination may make any decisions with respect to the identity of the Subordinated Noteholders at that time as may be necessary or desirable to ensure Conversion or Write-Off (as applicable) occurs in an orderly manner, including disregarding any transfers of Subordinated Notes that have not been settled or registered at that time provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;
- (iv) ANZBGL must give notice of its determination pursuant to Condition 5A.3(iii) (a "**Trigger Event Notice**") as soon as practicable to the Subordinated Noteholders, which must specify:
 - (a) the Trigger Event Date;
 - (b) the Principal Amount of the Subordinated Notes Converted or Written-Off (as applicable); and
 - (c) the relevant number or principal amount of other Relevant Securities converted or written-off;
- (v) none of the following events shall prevent, impede or delay the Conversion or Write-Off (as applicable) of Subordinated Notes as required by Condition 5A.3(i):

- (a) any failure or delay in the conversion or write-off of other Relevant Securities;
- (b) any failure or delay in giving a Trigger Event Notice;
- (c) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 5A.4;
- (d) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted or Written-Off (as applicable) in accordance with Condition 5A.3(ii)(b) or 5A.3(iii); and
- (e) in the case of Conversion only, any failure or delay in quotation of Ordinary Shares to be issued on Conversion.

If a Non-Viability Determination takes effect, ANZBGL must perform the obligations in respect of the determination immediately on the day it is received by ANZBGL, whether or not such day is a Business Day.

Each Subordinated Noteholder irrevocably authorises ANZBGL to sign any document or transfer or do any other thing as may in ANZBGL's opinion be necessary or desirable to effect any transfer of the Subordinated Notes the subject of the Conversion.

5A.4 Conversion or Write-Off of a whole or of a portion of a Subordinated Note

If a Principal Amount of a Subordinated Note is required to be Converted or Written-Off, the following provisions apply:

- (i) ANZBGL shall notify the Fiscal Agent (in the case of a Bearer Note) or the Registrar (in the case of a Registered Note) of the Principal Amount of such Subordinated Note that has been Converted or Written-Off (whether in whole or in part) and instruct the Fiscal Agent (in the case of a Bearer Note) or the Registrar (in the case of a Registered Note) to reflect this Conversion or Write-Off (as applicable) in any relevant form of note or certificate and the Register (as applicable) so that the Principal Amount of such Subordinated Note is reduced, in the case of a Subordinated Note Converted or Written-Off in whole, to zero, or, in the case of a Subordinated Note which is Converted or Written-Off in part, to an amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note;
- (ii) in the case of a Subordinated Note which is Converted or Written-Off only in part:
 - (a) where the date of the Conversion or Write-off is not an Interest Payment Date, the amount of interest payable in respect of that Subordinated Note on each Interest Payment Date falling after that date will be reduced and calculated on the Principal Amount of that Subordinated Note as reduced on that date;
 - (b) for the purposes of any interest calculation, the Interest Amount, the Fixed Coupon Amount, Broken Amount, the Calculation Amount and any related amount in respect of that Subordinated Note shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off;
 - (c) the Early Redemption Amount, the Final Redemption Amount, the Optional Redemption Amount, the Specified Denomination and Principal Amount or any related amount shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off; and
- (iii) if a definitive note or certificate has been issued to the relevant Subordinated Noteholder in respect of such Subordinated Note, then, if ANZBGL so requires, such Subordinated Noteholder shall surrender such definitive note or certificate to ANZBGL (or, if ANZBGL so directs, to the Registrar) and, in the case of a Subordinated Note which is Converted or Written-Off only in part, ANZBGL shall deliver to the Subordinated Noteholder, a new definitive note or certificate for a

Subordinated Note with a Principal Amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note.

5B. Conversion of Subordinated Notes

5B.1 Conversion of Subordinated Notes on Trigger Event Date

Unless "Write-Off Applicable" is specified in the relevant Pricing Supplement, Condition 5B shall apply to the Subordinated Notes and, notwithstanding any other provision in these Conditions, on the Trigger Event Date the relevant Principal Amount (as determined under Condition 5A.3) of the Subordinated Notes will Convert immediately and irrevocably.

On and from the Trigger Event Date, subject to Conditions 5B.5 and 5B.6(iii)(c) ANZBGL and ANZGHL shall treat any Subordinated Noteholder of any Subordinated Note or portion thereof which is required to be Converted as the holder of the relevant number of Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion and the issuance of such Ordinary Shares.

5B.2 Provision of information

Where a Principal Amount of Subordinated Notes is required to be Converted under Condition 5B, a Subordinated Noteholder of such Subordinated Notes or portion thereof that are subject to Conversion wishing to receive Ordinary Shares must, no later than the Trigger Event Date (or, in the case where Condition 5B.4(vii) applies, within 30 days of the date on which Ordinary Shares are issued upon such Conversion), have provided to ANZBGL:

- (i) its name and address (or the name and address of any person in whose name it directs the Ordinary Shares to be issued) for entry into any register of title and receipt of any certificate or holding statement in respect of any Ordinary Shares;
- (ii) the security account details of such Subordinated Noteholder in CHES (being the Clearing House Electronic Subregister System of Australia operated by the ASX or its affiliates or successors) or such other account to which the Ordinary Shares may be credited; and
- (iii) such other information as is reasonably requested by ANZBGL for the purposes of enabling ANZGHL to issue the Conversion Number of Ordinary Shares to such Subordinated Noteholder,

and ANZBGL has no duty to seek or obtain such information.

5B.3 Failure to Convert

Subject to Condition 5B.4 and Condition 5B.5, if, in respect of a Conversion of Subordinated Notes, ANZGHL fails to issue, on the Trigger Event Date, the Conversion Number of Ordinary Shares in respect of the relevant Principal Amount of such Subordinated Notes to, or in accordance with the instructions of, the relevant Subordinated Noteholder on the Trigger Event Date or any other nominee where Condition 5B.4 applies, the Principal Amount of such Subordinated Notes which would otherwise be subject to Conversion shall remain on issue and outstanding until:

- (i) the Ordinary Shares are issued to, or in accordance with the instructions of, the Subordinated Noteholder of such Subordinated Notes; or
- (ii) such Subordinated Notes are Written-Off in accordance with these Conditions;

provided, however, that the sole right of the Subordinated Noteholder in respect of Subordinated Notes or portion thereof that are subject to Conversion is its right to be issued Ordinary Shares upon Conversion (subject to its compliance with Condition 5B.2 or to receive the proceeds from their sale pursuant to Condition 5B.4, as applicable) and the remedy of such Subordinated Noteholder in respect of ANZGHL's failure to issue the Ordinary Shares is limited (subject always to Condition 5B.5) to seeking an order for specific performance of ANZGHL's obligation to issue the Ordinary Shares to the Subordinated Noteholder or where Condition 5B.4 applies to the nominee and to receive such proceeds of sale, in each case, in accordance with the terms of the Subordinated Notes. This Condition 5B.3 does not affect the obligation of ANZGHL to issue the Ordinary Shares when required in accordance with these Conditions.

5B.4 Issue to nominee

If, in respect of a Subordinated Note and a Subordinated Noteholder of that Subordinated Note, the Subordinated Note or portion thereof is required to be Converted and:

- (i) the Subordinated Noteholder has notified ANZBGL that it does not wish to receive Ordinary Shares as a result of the Conversion (whether entirely or to the extent specified in the notice), which notice may be given at any time prior to the Trigger Event Date;
- (ii) the Subordinated Notes are held by a Subordinated Noteholder whose address in the register is a place outside Australia or who ANZBGL otherwise believes may not be a resident of Australia (a "**Foreign Holder**");
- (iii) the holder of that Subordinated Note is a Clearing System Holder;
- (iv) for any reason (whether or not due to the fault of the Subordinated Noteholder) ANZBGL has not received the information required by Condition 5B.2 prior to the Trigger Event Date and the lack of such information would prevent ANZGHL from issuing the Ordinary Shares to the Subordinated Noteholder on the Trigger Event Date; or
- (v) a FATCA Withholding is required to be made in respect of the Ordinary Shares issued on the Conversion,

then, on the Trigger Event Date:

- (vi) where Condition 5B.4(i), 5B.4(ii) or 5B.4(v) applies, ANZGHL shall issue the Ordinary Shares to the Subordinated Noteholder only to the extent (if at all) that:
 - (a) where Condition 5B.4(i) applies, the Subordinated Noteholder has notified ANZBGL that it wishes to receive them;
 - (b) where Condition 5B.4(ii) applies, ANZBGL is satisfied that the laws of both the Commonwealth of Australia and the Foreign Holder's country of residence permit the issue of Ordinary Shares to the Foreign Holder (but as to which ANZBGL is not bound to enquire), either unconditionally or after compliance with conditions which ANZBGL in its absolute discretion regards as acceptable and not unduly onerous; and
 - (c) where Condition 5B.4(v) applies, the issue is net of the FATCA Withholding;and, to the extent ANZGHL is not obliged to issue Ordinary Shares to the Subordinated Noteholder, ANZGHL will issue the balance of the Ordinary Shares to the nominee in accordance with Condition 5B.4(vii); and
- (vii) otherwise, subject to applicable law, ANZGHL will issue the balance of Ordinary Shares in respect of the Subordinated Noteholder to a competent nominee (which may not be ANZBGL or any of its Related Entities) and will promptly notify such Subordinated Noteholder of the name of and contact information for the nominee and the number of Ordinary Shares issued to the nominee on its behalf and, subject to applicable law and:
 - (a) subject to Condition 5B.4(vii)(b), the nominee will as soon as reasonably possible and no later than 35 days after issue of the Ordinary Shares sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Subordinated Noteholder;
 - (b) where Condition 5B.4(iii) or 5B.4(iv) applies, the nominee will hold such Ordinary Shares and will transfer Ordinary Shares to such Subordinated Noteholder (or, where paragraph (iii) applies, the person for whom the Clearing System Holder holds the Subordinated Note) promptly after such Subordinated Noteholder provides the nominee with the information required to be provided by such Subordinated Noteholder under Condition 5B.2 (as if a reference in Condition 5B.2 to ANZBGL is a reference to the nominee and a reference to the issue of Ordinary Shares is a reference to the transfer of Ordinary Shares) but only where such information is provided to the nominee within 30

days of the date on which Ordinary Shares are issued to the nominee upon Conversion of such Subordinated Note and failing which the nominee will sell the Ordinary Shares and pay the proceeds to such Subordinated Noteholder in accordance with Condition 5B.4(vii)(a); and

- (c) where Condition 5B.4(v) applies, the nominee shall deal with Ordinary Shares the subject of a FATCA Withholding and any proceeds of their disposal in accordance with FATCA;
- (viii) nothing in this Condition 5B.4 shall affect the Conversion of the Subordinated Notes of a Subordinated Noteholder who is not a person to which any of Condition 5B.4(i) to 5B.4(v) (inclusive) applies; and
- (ix) for the purposes of this Condition 5B.4, none of ANZBGL, ANZGHL or the nominee owes any obligations or duties to the Subordinated Noteholders in relation to the price at which Ordinary Shares are sold or has any liability for any loss suffered by a Subordinated Noteholder as a result of the sale of Ordinary Shares.

5B.5 Write-Off of Subordinated Notes if Conversion is not effected within 5 Business Days after a Trigger Event Date

Notwithstanding any other provision of Condition 5B and provided that "Write-Off – Applicable" is not specified in the relevant Pricing Supplement, where Subordinated Notes are required to be Converted on the Trigger Event Date and Conversion of the relevant Principal Amount of the Subordinated Notes that are subject to Conversion has not been effected within five Business Days after the relevant Trigger Event Date for any reason (including an Inability Event):

- (i) the relevant Principal Amount of each Subordinated Note which, but for this Condition 5B.5, would be Converted, will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date; and
- (ii) ANZBGL shall notify the Subordinated Noteholders as promptly as practically possible that Conversion of the relevant Principal Amount of the Subordinated Notes has not occurred and that such Principal Amount of the Subordinated Notes has been Written-Off.

5B.6 Subordinated Noteholder acknowledgements

Each Subordinated Noteholder irrevocably:

- (i) consents to becoming a member of ANZGHL upon the Conversion of the relevant Principal Amount of Subordinated Notes as required by this Condition 5B and agrees to be bound by the constitution of ANZGHL, in each case in respect of the Ordinary Shares issued to such Subordinated Noteholder on Conversion;
- (ii) acknowledges and agrees that it is obliged to accept Ordinary Shares upon a Conversion of the Principal Amount of Subordinated Notes it holds notwithstanding anything that might otherwise affect a Conversion of such Principal Amount of Subordinated Notes including:
 - (a) any change in the financial position of the Issuer or ANZGHL since the issue of such Subordinated Notes;
 - (b) any disruption to the market or potential market for the Ordinary Shares or to capital markets generally; or
 - (c) any breach by ANZBGL or ANZGHL of any obligation in connection with such Subordinated Notes;
- (iii) acknowledges and agrees that where Condition 5A.3 applies:
 - (a) there are no other conditions to a Non-Viability Trigger Event occurring as and when provided in Condition 5A.2;

- (b) Conversion must occur immediately on the occurrence of a Non-Viability Trigger Event and that may result in disruption or failures in trading or dealings in the Subordinated Notes;
 - (c) it will not have any rights to vote in respect of any Conversion and that the Subordinated Note does not confer a right to vote at any meeting of members of ANZBGL or ANZGHL; and
 - (d) the Ordinary Shares issued on Conversion may not be quoted at the time of issue, or at all;
- (iv) acknowledges and agrees that where Condition 5B.5 applies, no conditions or events will affect the operation of that Condition and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under that Condition and has no claim against ANZBGL or ANZGHL, arising in connection with the application of that Condition;
 - (v) acknowledges and agrees that such Subordinated Noteholder has no right to request a Conversion of any Principal Amount of any Subordinated Notes or to determine whether (or in what circumstances) the Principal Amount of Subordinated Notes it holds is Converted;
 - (vi) acknowledges and agrees that none of the following shall prevent, impede or delay the Conversion or (where relevant) Write-Off of the Principal Amount of Subordinated Notes:
 - (a) any failure to or delay in the conversion or write-off of other Relevant Securities;
 - (b) any failure or delay in giving a Trigger Event Notice or other notice required by this Condition 5B;
 - (c) any failure or delay in quotation of the Ordinary Shares to be issued on Conversion;
 - (d) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 5A.4;
 - (e) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted in accordance with Condition 5A.3(ii)(b) or 5A.3(iii); and
 - (vii) acknowledges and agrees that if, in respect of a Conversion, ANZGHL has issued the Conversion Number of Ordinary Shares to the Subordinated Noteholder but the Subordinated Note or portion thereof has not been transferred free from encumbrance to or as directed by ANZGHL, the Subordinated Note or such portion shall be Written-Off in accordance with Condition 5B.7 without prejudice to the issue of the Ordinary Shares.

5B.7 Meaning of "Written-Off"

For the purposes of Condition 5B, "*Written-Off*" shall mean that, in respect of a Subordinated Note or portion thereof that is otherwise subject to Conversion and a Trigger Event Date:

- (i) the Subordinated Note or portion thereof that is otherwise subject to Conversion will not be Converted on that date and will not be Converted or redeemed under these Conditions on any subsequent date; and
- (ii) with effect on and from the Trigger Event Date, the rights of the relevant Subordinated Noteholder of the Subordinated Note or portion thereof (including any right to receive any payment thereunder including payments of principal and interest both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Subordinated Note or portion thereof are immediately and irrevocably terminated and written-off; and

"**Write-Off**" has a corresponding meaning.

5C Write-Off of Subordinated Notes

5C.1 Write-Off of Subordinated Notes on Trigger Event Date

If "Write-Off – Applicable" is specified in the relevant Pricing Supplement, Condition 5C shall apply to the Subordinated Notes and on the Trigger Event Date the rights of the Subordinated Noteholder of the relevant Subordinated Notes in relation to the relevant Principal Amount (as determined under Condition 5A.3) of the Subordinated Notes are Written-Off (as that term is defined for the purposes of Condition 5C).

Each Subordinated Noteholder irrevocably acknowledges and agrees that no conditions or events will affect the operation of this Condition 5C and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under this Condition 5C.1.

5C.2 Meaning of "Written-Off"

For the purposes of this Condition 5C, "*Written-Off*" shall mean that, in respect of a Subordinated Note or portion thereof and a Trigger Event Date, the rights of the relevant Subordinated Noteholder (including any right to receive any payment thereunder including payments of principal and interest, both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Subordinated Note or portion thereof are immediately and irrevocably terminated and written-off; and

"**Write-Off**" has a corresponding meaning.

5D Substitution of Issuer

5D.1 Application of this Conditions

Unless "Write-Off – Applicable" is specified in the relevant Pricing Supplement, this Condition 5D shall apply to the Subordinated Notes.

5D.2 Substitution of Approved NOHC

Where:

- (i) either of the following occurs:
 - (a) a takeover bid is made to acquire all or some of the Ordinary Shares and such offer is, or becomes, unconditional and either:
 - (A) the bidder has at any time during the offer period, a relevant interest in more than 50 per cent. of the Ordinary Shares on issue; or
 - (B) the directors of ANZGHL, acting as a board, issue a statement that at least a majority of its directors who are eligible to do so have recommended acceptance of such offer (in the absence of a higher offer); or
 - (b) a court orders the holding of meetings to approve a scheme of arrangement under Part 5.1 of the Corporations Act, which scheme would result in a person having a relevant interest in more than 50 per cent. of the Ordinary Shares that will be on issue after the scheme is implemented and:
 - (A) all classes of members of ANZGHL pass all resolutions required to approve the scheme by the majorities required under the Corporations Act, to approve the scheme; and

Unless otherwise specified in the Pricing Supplement, Notes denominated in the currency (the "**Relevant Currency**") of a Member State that does not participate in the third stage of European economic and monetary union prior to the Issue Date of the relevant Notes may, at the election of the Issuer, be subject to redenomination in the manner set out below. In relation to such Notes the Issuer may, without the consent of the Noteholders or Couponholders, on giving at least 30 days' prior notice to Noteholders, the Fiscal Agent and each of the Paying Agents and Transfer Agents, designate a "**Redenomination Date**" for the Notes, being a date for payment of interest under the Notes falling on or after the date on which the relevant Member State commences participation in such third stage.

With effect from the Redenomination Date, notwithstanding the other provisions of the Conditions:

- (i) the Notes shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated in euro in the denomination of euro 0.01 with a principal amount for each Note equal to the principal amount of that Note in the Relevant Currency, converted into euro at the rate for conversion of the Relevant Currency into euro established by the Council of the European Union pursuant to the Treaty (including compliance with rules relating to rounding in accordance with European Community regulations) provided that, if the Issuer determines that the then market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, any listing venue, stock exchange and/or quotation system on which the Notes may be listed, the Fiscal Agent and each of the Paying Agents and Transfer Agents of such deemed amendment;

The payment obligations contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New certificates in respect of euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Relevant Currency in such manner as the Fiscal Agent may specify and as shall be specified to Noteholders in the Exchange Notice;

- (iv) all payments in respect of the Notes (other than, unless the Redenomination Date is on or after such date as the Relevant Currency ceases to be a subdivision of the euro, payments of interest in respect of periods commencing before the Redenomination Date) will be made solely in euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or by cheque; and
- (v) the amount of interest in respect of Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Receipts or Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01.

In connection with such redenomination, the Issuer may, after consultation with the Fiscal Agent, make such other changes to the Conditions applicable to the relevant Notes as it may decide so as to conform them to the then market practice in respect of euro-denominated debt securities issued in the Euromarkets which are held in international clearing systems. "Exotic Currency Relevant Time" means the time specified in the Pricing Supplement.

"Exotic Currency Reuters Screen Page" means the Reuters screen page specified in the Pricing Supplement.

"London Business Day" means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments generally in London.

(l) *Discretion of Calculation Agent*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6 (*Payments and Talons*) by the Calculation Agent will (in the absence of a manifest error) be binding on the Issuer, the Paying Agents and the holders of the Notes or Coupons and (in the absence of negligence, wilful default, bad faith or fraud) no liability to any such person shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers and duties for such purposes.

7. **Taxation**

(a) *Withholding Tax*

Subject as provided below, all payments of principal and interest in respect of the Notes, the Receipts and the Coupons by or on behalf of the Issuer or, if applicable, the Guarantor shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the jurisdiction of incorporation of the Issuer and/or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located or, if applicable, the jurisdiction of incorporation of the Guarantor or by any authority therein or thereof having power to tax (together, "**Taxes**"), unless such withholding or deduction is required by law or made for or on account of FATCA. Any amounts withheld pursuant to an agreement with a taxing authority will be treated as required by law. In that event, the Issuer or (as the case may be) the Guarantor shall pay such additional amounts to the Noteholders, Couponholders and Receiptholders as shall result in receipt by those Noteholders, Couponholders and Receiptholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment by or on behalf of a holder which is liable to such Taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of its having some connection with the jurisdiction of incorporation of the Issuer or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor, other than the mere holding of such Note, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or
- (ii) where ANZBGL is the Issuer, held by or on behalf of a holder who is an Australian resident or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details; or
- (iii) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the 30th such day; or
- (iv) in respect of which the holder thereof is an Offshore Associate of ANZBGL (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act), where ANZBGL is the Issuer; or
- (v) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which ANZBGL, where ANZBGL is the Issuer, was neither a party to nor participated in; or
- (vi) in respect of Bearer Notes only, if the holder of such Note, Receipt or Coupon or any entity which directly or indirectly has an interest in or right in respect of such Note, Receipt or Coupon is a resident of Australia, or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions "**resident of Australia**", "**non-resident**" and "**permanent establishment**" having the meanings given to them by the Australian Tax Act) if, and to the extent that, section 126 of the Australian Tax Act (or any

equivalent provisions) requires ANZBGL, where ANZBGL is the Issuer, to pay income tax in respect of interest payable on such Note, Receipt or Coupon and the income tax would not be payable were the holder or such entity not such a resident of Australia or non-resident; or

- (vii) where such withholding or deduction is for or on account of New Zealand resident withholding tax; or
- (viii) presented for payment by, or a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in New Zealand, unless the holder proves that he is not entitled so to comply or to make such declaration or claim, where either ANZ Bank New Zealand or ANZNIL is the Issuer or ANZ Bank New Zealand is the Guarantor; or
- (ix) presented for payment by, or a third party on behalf of, a holder that is a partnership, or a holder that is not the sole beneficial owner of the Note, Receipt or Coupon, or which holds the Note, Receipt or Coupon, in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or
- (x) presented for payment in New Zealand, where either ANZ Bank New Zealand or ANZNIL is the Issuer or ANZ Bank New Zealand is the Guarantor; or
- (xi) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which either ANZ Bank New Zealand or ANZNIL, where ANZ Bank New Zealand or ANZNIL is the Issuer, or ANZ Bank New Zealand, where ANZ Bank New Zealand is the Guarantor, was neither a party to nor participated in; or
- (xii) where such withholding or deduction is made for or on account of FATCA on payments to a Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or control over a payment made by the Issuer, Guarantor or any agent in the chain of payment, including due to the failure of the Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or control over a payment to comply with any requests for tax certifications or other identifying information regarding such Noteholder, Couponholder, Receiptholder, beneficial owner, or agent, or due to the failure to provide a waiver of any laws prohibiting the disclosure of such certifications, identifying information and other information in respect of the Notes to a taxing authority.

As used in these Conditions, "**Relevant Date**" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "**principal**" shall be deemed to include all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (*Redemption, Purchase and Options*) or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 (*Interest and other Calculations*) or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or substitution for it under the Agency Agreement. Any additional amounts due in respect of the Subordinated Notes will be subordinated in right of payment as described in Condition 10 (*Subordination*).

The remaining provisions of this Condition only apply to ANZNIL where ANZNIL is the Issuer and to ANZ Bank New Zealand where ANZ Bank New Zealand is the Issuer or the Guarantor. Where used in the remaining provisions of this Condition, "**interest**" means interest (as defined under New Zealand

taxation legislation) for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note as well as coupon interest paid on such Note.

Where (i) ANZNIL is the Issuer or (ii) ANZ Bank New Zealand is the Issuer or the Guarantor, and ANZ Bank New Zealand or ANZNIL, as the case may be, is required to deduct New Zealand non-resident withholding tax in the case of any payments of interest to a holder of a Note or Coupon, ANZ Bank New Zealand or ANZNIL, as the case may be, may, and intend to (for so long as they do not incur any increased cost or detriment from so doing), relieve themselves of such obligation by using a procedure which permits borrowers such as ANZ Bank New Zealand or ANZNIL, as the case may be, to reduce the applicable rate of non-resident withholding tax to zero per cent. Under the current law, that procedure involves ANZ Bank New Zealand or ANZNIL, as the case may be, paying on their own respective accounts a levy to the New Zealand revenue authorities (which is currently equal to two per cent. of such payments of interest).

ANZ Bank New Zealand and ANZNIL are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, where:

- (A) the Holder or, if that Holder is not the beneficial owner of such Note, then the beneficial owner of such Note (i) is a resident of New Zealand for New Zealand income tax purposes, or (ii) holds the notes for the purposes of a business the Holder carries on in New Zealand, through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand) in New Zealand, or (iii) is a registered bank engaged in business in New Zealand through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand)) in New Zealand and is not associated with ANZ Bank New Zealand or ANZNIL (as applicable) (each such Holder or beneficial owner a "**New Zealand Holder**"); and
- (B) at the time of such payment the New Zealand Holder does not hold "RWT-exempt status" (as defined in the Income Tax Act 2007 (New Zealand)) in respect of New Zealand resident withholding tax.

Prior to any Interest Payment Date or the Maturity Date, any New Zealand Holder:

- (A) must notify ANZ Bank New Zealand or ANZNIL, as the case may be, that the New Zealand Holder is the holder or beneficial owner of a Note; and
- (B) must notify ANZ Bank New Zealand or ANZNIL, as the case may be, of any circumstances, and provide ANZ Bank New Zealand or ANZNIL, as the case may be, with any information that may enable ANZ Bank New Zealand or ANZNIL, as the case may be, to make payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

A New Zealand Holder must notify ANZ Bank New Zealand or ANZNIL, as the case may be, prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the payment or withholding obligations of ANZ Bank New Zealand or ANZNIL, as the case may be, in respect of this Note. By accepting payment of the full face amount of a Note or any interest thereon on any Interest Payment Date or the Maturity Date, the New Zealand Holder indemnifies ANZ Bank New Zealand or ANZNIL, as the case may be, for all purposes in respect of any liability ANZ Bank New Zealand or ANZNIL, as the case may be, may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Only a New Zealand Holder will be obliged to make the notification referred to above.

(b) *Taxing Jurisdiction*

If the Issuer or, if applicable, the Guarantor is, or becomes, subject at any time to any taxing jurisdiction(s) other than or in addition to its own jurisdiction of incorporation or the jurisdiction, country or territory in which the branch (if any) specified in the relevant Pricing Supplement is located, references in Condition 5(b) and this Condition 7 shall be read and construed as including references to such other taxing jurisdiction(s).

8. Prescription

Claims against the Issuer and, if applicable, the Guarantor for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9. Events of Default

(a) Unsubordinated Notes

If any of the following events ("**Events of Default**") occurs and is continuing, the holder of any Unsubordinated Note of any Series issued by the Issuer may give written notice to the Fiscal Agent at its specified office that such Unsubordinated Note is immediately repayable, whereupon it shall immediately become due and repayable at its Early Redemption Amount together with accrued interest to the date of payment unless, prior to the date that such written notice is received by the Fiscal Agent, the Issuer and/or, if applicable, the Guarantor shall have cured or otherwise made good all Events of Default in respect of the Unsubordinated Notes of such Series:

- (i) default is made in the payment of any principal or Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount, Instalment Amount or Amortised Face Amount (in the case of a Zero Coupon Note) (whether becoming due upon redemption or otherwise) when due, in respect of any Unsubordinated Note of such Series, and such default continues for a period of 15 days or interest when due, in respect of any Unsubordinated Note of such Series, and such default continues for a period of 30 days; or
- (ii) the Issuer fails to perform or observe any of its obligations under any Unsubordinated Note of such Series or, if applicable, the Guarantor fails to perform or observe any of its obligations under the Deed of Guarantee, in either case other than those specified in paragraph (i) above and in such case (except where such failure is incapable of remedy) such failure continues for a period of 30 days next following the service by any holder of any Unsubordinated Note of such Series on the Issuer, the Guarantor (if applicable) and the Fiscal Agent of written notice requiring the same to be remedied; or
- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of the Issuer's or, if applicable, the Guarantor's country of incorporation or, if applicable, the laws of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located, a resolution is passed that the Issuer or, as the case may be, the Guarantor be wound up or dissolved; or
- (iv) the Issuer or, if applicable, the Guarantor stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer or, if applicable, the Guarantor and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer or, as the case may be, the Guarantor of its obligations under the Unsubordinated Notes of such Series or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer or, as the case may be, the Guarantor which would materially prejudice the performance of (i) the Issuer of its obligations under the Unsubordinated Notes of such Series or, (ii) if applicable, the Guarantor of its obligations under the Deed of Guarantee, and in each case is not discharged within 60 days thereof; or
- (vi) proceedings shall have been initiated against the Issuer or, if applicable, the Guarantor under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (vii) the Issuer or, if applicable, the Guarantor shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of the country of the Issuer's or, if applicable, the Guarantor's incorporation or, if

applicable, the laws of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located), and such proceedings would materially prejudice the performance by (A) the Issuer of its obligations under the Unsubordinated Notes of such Series or (B), if applicable, the Guarantor of its obligations under the Deed of Guarantee); or

- (viii) in respect of Notes issued by ANZNIL only, the Deed of Guarantee of the Notes is (A) not in full force and effect and, where capable of remedy, the Deed of Guarantee is not in full force and effect within seven days of the date the defect is first discovered or (B) claimed by the Guarantor not to be in full force and effect.

Any such notice by a holder of Unsubordinated Notes to the Fiscal Agent shall specify the serial number(s) of the Unsubordinated Notes concerned.

Notwithstanding any other provision of this Condition 9(a) no Event of Default in respect of any Unsubordinated Notes shall occur solely on account of any failure by ANZBGL to perform or observe its obligations in relation to, or the taking of any process or proceeding in respect of any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (as defined by APRA from time to time).

(b) *Subordinated Notes Issued by ANZBGL*

The following are "**Events of Default**" with respect to Subordinated Notes:

- (i) (a) the making of an order by a court of the State of Victoria, Commonwealth of Australia or a court with appellate jurisdiction from such court which is not successfully appealed or permanently stayed within 60 days of the entry of such order; or
 - (b) the valid adoption by ANZBGL's shareholders of an effective resolution, in each case for the winding-up of ANZBGL (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency);
- (ii) subject to Condition 4(u):
 - (a) default in the payment of interest on any Subordinated Note when due, continued for 30 days; or
 - (b) default in the payment of principal of any Subordinated Note when due.

Upon the occurrence of an Event of Default specified in paragraph (i) above, subject to the subordination provisions, the Principal Amount of, and all accrued and unpaid interest, on the Subordinated Notes will automatically become due and payable.

If an Event of Default contemplated by paragraph (ii) above with respect to any of the Subordinated Notes occurs and is continuing, a Subordinated Noteholder may only, in order to enforce the obligations of ANZBGL under such Subordinated Notes:

- (y) notwithstanding the provisions of paragraph (z) below, institute proceedings in the State of Victoria, Commonwealth of Australia (but not elsewhere) for the winding-up of ANZBGL (all subject to, and in accordance with, the terms of Condition 10 (*Subordination*)); or
- (z) institute proceedings for recovery of the money then due, provided that ANZBGL will not, by virtue of the institution of any such proceedings (other than proceedings for the winding-up of ANZBGL), be obliged to pay any sums representing principal or interest in respect of such Subordinated Notes sooner than the same would otherwise have been payable by it and provided that ANZBGL is Solvent at the time of, and will be Solvent immediately after, the making of any such payment.

No remedy against ANZBGL, other than those referred to in this paragraph (b), shall be available to the Subordinated Noteholders or Couponholders or Receiptholders in respect of Subordinated Notes,

whether for the recovery of amounts owing in respect of the Subordinated Notes or in respect of any breach by ANZBGL of any of its other obligations under or in respect of the Subordinated Notes.

10. Subordination

In the event of the winding-up of ANZBGL constituting an Event of Default with respect to the Subordinated Notes, there shall be payable with respect to the Subordinated Notes, subject to the subordination provisions discussed above (see Condition 3 (*Status and Guarantee*)), an amount equal to the Principal Amount of the Subordinated Notes then outstanding, together with all accrued and unpaid interest thereon to the repayment date.

As a result of the subordination provisions, no amount will be payable in the winding-up of ANZBGL in Australia in respect of the Subordinated Notes until all claims of Senior Creditors admitted in the winding-up proceeding have been satisfied in full. By subscription for, or transfer of, Subordinated Notes to a Noteholder, that Subordinated Noteholder will be taken to have agreed that no amount in respect of the Subordinated Notes will be repaid until all the claims of the Senior Creditors admitted in the winding-up proceeding have been satisfied accordingly. Accordingly, if proceedings with respect to the winding-up of ANZBGL in Australia were to occur, the Subordinated Noteholders could recover less relatively than the holders of deposit liabilities or protected accounts, the Unsubordinated Noteholders, the holders of prior ranking subordinated liabilities of ANZBGL. For the avoidance of doubt, the Subordinated Notes do not constitute deposit liabilities or protected accounts of ANZBGL.

If, in any such winding-up, the amount payable with respect to the Subordinated Notes and any claims ranking equally with those Subordinated Notes cannot be paid in full, those Subordinated Notes and other claims ranking equally with those Subordinated Notes will share relatively in any distribution of ANZBGL's assets in a winding-up in proportion to the respective amounts to which they are entitled. To the extent that Subordinated Noteholders are entitled to any recovery with respect to the Subordinated Notes in any winding-up, such Subordinated Noteholders might not be entitled in such proceedings to a recovery in the Specified Currency in respect of such Subordinated Notes (if other than Australian dollars) and might be entitled only to a recovery in Australian dollars.

11. Meeting of Noteholders, Modifications and Waiver

(a) Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of Noteholders of a Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification or amendment of any of these Conditions. The quorum for any meeting of Noteholders shall be two or more persons holding or representing in the aggregate a clear majority in Principal Amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the Principal Amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes or the obligation of the Issuer to pay additional amounts pursuant to Condition 7 (*Taxation*), (ii) to reduce or cancel the Principal Amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is set out in the Pricing Supplement, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or Specified Denomination of the Notes, (vii) to take any steps that as specified in the Pricing Supplement may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, or (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum at any adjourned meeting shall be two or more persons holding or representing in the aggregate not less than one-third in Principal Amount of the Notes for the time being outstanding. However, the prior written approval of APRA is required to modify, amend or supplement the terms of any Series of Subordinated Notes, or to give any consents or waivers or take other actions in respect of any Series of

Subordinated Notes, where such modification, amendment, supplement, consent, waiver or other action may affect the eligibility of the Subordinated Notes as Tier 2 Capital. Any resolution duly passed (including an Extraordinary Resolution) shall be binding on all Noteholders of the relevant Series (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders of the relevant Series. The expression "**Extraordinary Resolution**" means a resolution passed at a meeting of Noteholders duly convened by a majority consisting of not less than three-quarters of the votes cast. All other resolutions, except for written resolutions, shall be passed at a meeting of Noteholders duly convened by a clear majority of the votes cast.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification of the Agency Agreement, Deed of Covenant, Deed of Guarantee, Deed of Undertaking, Conditions and Pricing Supplement*

The Agency Agreement, the Deed of Covenant, the Deed of Guarantee, the Conditions and any applicable Pricing Supplement may be modified or amended by the Issuer and, in the case of the Deed of Guarantee, by ANZNIL and the Guarantor and, in the case of the Deed of Undertaking, by ANZGHL, in each case without the consent of the holders if, in the reasonable opinion of the Issuer (and in the case of the Deed of Guarantee, ANZNIL and the Guarantor and, in the case of the Deed of Undertaking, ANZGHL), the modification or amendment is:

- (a) not materially prejudicial to the interests of the holders;
- (b) of a formal, minor or technical nature;
- (c) made to correct any manifest or proven error or omission;
- (d) made to comply with mandatory provisions of the law; or
- (e) made to cure, correct or supplement any defective provision or ambiguity,

provided that any such modification or amendment to the Agency Agreement, the Deed of Covenant, the Conditions, the Deed of Undertaking and the Pricing Supplement which may affect the eligibility of Subordinated Notes as Tier 2 Capital has the prior written approval of APRA.

Any such modification or amendment shall be binding on the holders and any such modification or amendment shall be notified to the holders in accordance with Condition 14 as soon as practicable thereafter.

12. **Replacement of Notes, Certificates, Receipts, Coupons and Talons**

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and listing venue, stock exchange and/or quotation system regulations, at the specified office of the Fiscal Agent (in case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. **Further Issues**

Any Issuer may (and, in the instance of an issue of Subordinated Notes by ANZBGL, if ANZBGL has obtained the prior approval of APRA) from time to time without the consent of the Noteholders or

Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single Series with the outstanding securities of any Series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. Notes of more than one Series may be consolidated into one Series denominated in euro, even if one or more such Series was not originally denominated in euro, provided all such Series have been redenominated into euro and otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Notes.

14. Notices

Notices to the holders of Registered Notes shall be (a) mailed to them (or, in the case of joint holders, to the first named) at their respective addresses in the Register and (b) published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ Bank New Zealand and ANZNIL.

Notices to the holders of Registered Notes shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the later of the date of mailing and the date of first publication online.

Notices to the holders of Bearer Notes shall be, save where another means of effective communication has been specified herein or in the Pricing Supplement, published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ Bank New Zealand and ANZNIL.

Notices to the holders of Bearer Notes shall be deemed to have been given on the date of first publication online. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 14.

Notices to holders of all Notes which have been listed, admitted to trading on any stock exchange or listed on a quotation system will also be given in such manner and in such place as may be required by the rules and regulations of such listing venue, stock exchange and/or quotation system.

15. Currency Indemnity

If any sum due from the Issuer in respect of the Notes, Receipts or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, Receipts or Coupons, the Issuer shall indemnify each holder, on the written demand of such holder addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such holder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof. For the purposes of this Condition 15, it shall be sufficient for the Noteholder, Receiptholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder, Receiptholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

16. **Governing Law, Jurisdiction and Service of Process**

(a) *Governing Law*

The Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law, except for the subordination, Conversion and Write-Off provisions of the Subordinated Notes (including, without limitation, the provisions contained in Conditions 3(b), 4(u), 5A, 5B, 5C, 5D, 5E, 9(b) and 10 (*Subordination*)) which will be governed by, and construed in accordance with, the laws of the State of Victoria and the Commonwealth of Australia.

(b) *Jurisdiction*

The Issuer agrees for the benefit of the holders of Notes, Receipts, Coupons and Talons that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Notes and all matters connected with the Notes, Receipts, Coupons and Talons (including a dispute relating to any non-contractual obligation arising out of or in connection with them) (respectively, "**Proceedings**" and "**Disputes**") and, for such purposes, irrevocably submits to the jurisdiction of such courts.

(c) *Appropriate Forum*

The Issuer irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.

(d) *Service of Process*

The Issuer agrees that the process by which any Proceedings in England are begun may be served on it by being delivered to the officer in charge of the London Branch of Australia and New Zealand Banking Group Limited at its UK establishment office address from time to time, currently Level 12, 25 North Colonnade, London E14 5HZ. If such person is not or ceases to be effectively appointed to accept service of process on the Issuer's behalf, the Issuer shall appoint a further person in England to accept service of process on the Issuer's behalf and, failing such appointment, within 15 days, any Noteholder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any holder of Notes, Receipts, Coupons or Talons to serve process in any other manner permitted by law.

(e) *Non-exclusivity*

The submission to the jurisdiction of the courts of England shall not (and shall not be construed so as to) limit the right of any holder of Notes, Receipts, Coupons or Talons to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

(f) *Consent to Enforcement etc.*

Subject to Condition 10 (*Subordination*), the Issuer consents generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

17. **Third Parties**

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

SCHEDULE 1 TO THE TERMS AND CONDITIONS OF THE NON PR NOTES

1. Conversion

If ANZBGL must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions, then, subject to this Schedule and Condition 5D.2 and unless the Pricing Supplement specifies that the Alternative Conversion Number applies, the following provisions apply (provided, in all cases, that where a Subordinated Note is required to be Converted only in part, references in this Schedule to the "**Subordinated Note**" shall be taken to be references to the "**Affected Subordinated Note**" as defined in Condition 5A.4(ii)):

- (a) The Subordinated Note will be automatically transferred free from any encumbrance to or as directed by ANZGHL on the Trigger Event Date.
- (b) ANZGHL will allot and issue on the Trigger Event Date a number of Ordinary Shares in respect of the Principal Amount of that Subordinated Note equal to the Conversion Number, where the Conversion Number (but subject to the Conversion Number being no more than the Maximum Conversion Number) is a number calculated according to the following formula:

$$\text{Conversion Number} = \frac{\text{Principal Amount}}{((1 - CD) \times VWAP)}$$

where:

"CD" means the conversion discount specified in the applicable Pricing Supplement;

"VWAP" (expressed in dollars and cents or equivalent in the case of a Specified Currency other than Australian dollars) means the VWAP during the VWAP Period and where the "Maximum Conversion Number" means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Principal Amount}}{\text{Issue Date VWAP} \times 0.2}$$

- (c) on the Trigger Event Date the rights of each Subordinated Noteholder (including to payment of interest with respect to such Principal Amount, both in the future and as accrued but unpaid as at the Trigger Event Date) in relation to each Subordinated Note or portion thereof that is being Converted will be automatically transferred for an amount equal to the Principal Amount of that Subordinated Note that is being Converted and that Principal Amount will be applied in accordance with the Deed of Undertaking by way of payment for subscription for the Ordinary Shares to be allotted and issued under Section 1(b) of this Schedule and the Deed of Undertaking. Each Subordinated Noteholder is taken to have irrevocably directed that any amount payable under Section 1 of this Schedule is to be applied as provided for in Section 1 of this Schedule and no Subordinated Noteholder has any right to payment in any other way;
- (d) any calculation under Section 1(b) of this Schedule shall be, unless the context requires otherwise, be rounded to four decimal places provided that if the total number of additional Ordinary Shares to be allotted to a Subordinated Noteholder in respect of the aggregate Principal Amount of the Subordinated Notes it holds which is being Converted includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded;
- (e) the rights attaching to Ordinary Shares issued as a result of Conversion do not take effect until 5.00pm (Melbourne, Australia time) on the Trigger Event Date (unless another time is required for Conversion on that date). At that time all other rights conferred or restrictions imposed on that Subordinated Note under the Conditions will no longer have effect to the extent of the Principal Amount of that Subordinated Note being Converted (except for the right to receive the Ordinary Shares as set forth in

Section 1 of this Schedule and Condition 5B and except for rights relating to interest which is payable but has not been paid on or before the Trigger Event Date which will continue) and

- (f) under the arrangements as agreed between, among others, ANZGHL, ANZBGL and relevant members of the ANZ Group, deal with the Securities being Converted so that they are converted into ANZBGL Ordinary Shares and terminated (the "**Related Conversion Steps**").

2. **Adjustments to VWAP**

For the purposes of calculating VWAP in the Conditions:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as cum dividend or cum any other distribution or entitlement and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares after the date those Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount ("**Cum Value**") equal to:
 - (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
 - (ii) (in the case of any other entitlement that is not a dividend or other distribution under Section 2(a)(i) of this Schedule which is traded on the Australian Securities Exchange on any of those Business Days), the volume weighted average sale price of all such entitlements sold on the Australian Securities Exchange during the VWAP Period on the Business Days on which those entitlements were traded; or
 - (iii) (in the case of any other entitlement which is not traded on the Australian Securities Exchange during the VWAP Period), the value of the entitlement as reasonably determined by the directors of ANZGHL; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as ex dividend or ex any other distribution or entitlement, and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

3. **Adjustments to VWAP for divisions and similar transactions**

- (a) Where during the relevant VWAP Period there is a change in the number of the Ordinary Shares on issue as a result of a division, consolidation or reclassification of ANZGHL's share capital (not involving any cash payment or other distribution (or compensation) to or by holders of Ordinary Shares) (a "**Reorganisation**"), in calculating the VWAP for that VWAP Period the daily VWAP applicable on each day in the relevant VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reorganisation basis shall be adjusted by multiplying such daily VWAP by the following formula:

$$\frac{A}{B}$$

where:

"A" means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

"B" means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made in accordance with Section 3(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly. Any such adjustment must be promptly notified to all Subordinated Noteholders.

4. Adjustments to Issue Date VWAP

For the purposes of determining the Issue Date VWAP, corresponding adjustments to VWAP will be made in accordance with Section 2 and Section 3 of this Schedule during the 20 Business Day period over which VWAP is calculated for the purposes of determining the Issue Date VWAP. On and from the Issue Date adjustments to the Issue Date VWAP:

- (a) may be made in accordance with Sections 5 to 7 of this Schedule (inclusive); and
- (b) if so made, will cause an adjustment to the Maximum Conversion Number.

5. Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to Section 5(b) of this Schedule below, if at any time after the Issue Date ANZGHL makes a pro rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_0 \times \frac{RD}{RD + RN}$$

where:

"V" means the Issue Date VWAP applying immediately after the application of this formula;

"V₀" means the Issue Date VWAP applying immediately prior to the application of this formula;

"RN" means the number of Ordinary Shares issued pursuant to the bonus issue; and

"RD" means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue.

- (b) Section 5(a) of this Schedule does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purpose of Section 5(a) of this Schedule, an issue will be regarded as a pro rata issue notwithstanding that ANZGHL does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing ANZBGL is not in contravention of the ASX Listing Rules.
- (d) No adjustments to the Issue Date VWAP will be made under this Section 5 of this Schedule for any offer of Ordinary Shares not covered by Section 5(a) of this Schedule, including a rights issue or other essentially pro rata issue.

- (e) The fact that no adjustment is made for an issue of Ordinary Shares except as covered by Section 5(a) of this Schedule shall not in any way restrict ANZGHL from issuing Ordinary Shares at any time on such terms as it sees fit nor require any consent or concurrence of any Subordinated Noteholders.

6. Adjustment to Issue Date VWAP for divisions and similar transactions

- (a) If at any time after the Issue Date, a Reorganisation occurs, ANZBGL shall adjust the Issue Date VWAP by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reorganisation by the following formula:

$$\frac{A}{B}$$

where:

"A" means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

"B" means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by ANZBGL in accordance with Section 6(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly.
- (c) Each Subordinated Noteholder acknowledges that ANZGHL may, consolidate, divide or reclassify securities so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any Subordinated Noteholders.

7. No Adjustment to Issue Date VWAP in certain circumstances

Despite the provisions of Section 5 and Section 6 of this Schedule, no adjustment shall be made to the Issue Date VWAP where such adjustment (rounded if applicable) would be less than one per cent. of the Issue Date VWAP then in effect.

8. Announcement of adjustment to Issue Date VWAP

ANZBGL will notify Subordinated Noteholders (an "**Adjustment Notice**") of any adjustment to the Issue Date VWAP under this Schedule within ten Business Days of ANZBGL determining the adjustment and the adjustment set out in the announcement will be final and binding.

9. Ordinary Shares

Each Ordinary Share issued or arising upon Conversion ranks *pari passu* with all other fully paid Ordinary Shares. Subordinated Noteholders agree not to trade Ordinary Shares issued on Conversion (except as permitted by the Corporations Act, other applicable laws and the ASX Listing Rules) until ANZGHL has taken such steps as are required by the Corporations Act, other applicable laws and the ASX Listing Rules for the Ordinary Shares to be freely tradeable without such further disclosure or other action and agree to allow ANZGHL to impose a holding lock or to refuse to register a transfer in respect of Ordinary Shares until such time.

10. Listing Ordinary Shares issued on Conversion

ANZGHL shall use all reasonable endeavours to list the Ordinary Shares issued upon Conversion of the Subordinated Notes on the Australian Securities Exchange.

11. Alternative Conversion Number

If ANZBGL must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions and the Pricing Supplement specifies that the Alternative Conversion Number applies, then:

- (a) Section 1 of this Schedule applies on the basis that the Conversion Number for the purposes of Section 1(b) of this Schedule is the number of Ordinary Shares specified in the Pricing Supplement as the Alternative Conversion Number (subject to the Alternative Conversion Number being no more than the Maximum Conversion Number as determined in accordance with Section 1(b) of this Schedule); and
- (b) Sections 2 to 8 (inclusive) of this Schedule do not apply to the Alternative Conversion Number.

12. Definitions

For the purposes of this Schedule the following terms shall have the following meanings:

"Affected Subordinated Note" has the meaning given in Condition 5A.4(ii).

"ASX Operating Rules" means the market operating rules of the Australian Securities Exchange as amended, varied or waived (whether in respect of ANZBGL, ANZGHL or generally) from time to time.

"Cum Value" has the meaning given in Section 2 of this Schedule.

"Issue Date VWAP" means, in respect of Subordinated Notes of a Series, the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the first date on which any Subordinated Notes of that Series were issued, as adjusted in accordance with Sections 4 to 7 (inclusive) of this Schedule.

"Reorganisation" has the meaning given in Section 3 of this Schedule.

"Tax Act" means:

- (i) the Income Tax Assessment Act 1936 of Australia or the Income Tax Assessment Act 1997 of Australia as the case may be and a reference to any section of the Income Tax Assessment Act 1936 of Australia includes a reference to that section as rewritten in the Income Tax Assessment Act 1997 of Australia; and
- (ii) any other Act setting the rate of income tax payable and any regulation promulgated under it.

"VWAP" means, subject to any adjustments under this Schedule, the average of the daily volume weighted average sale prices (such average being rounded to the nearest full cent) of Ordinary Shares sold on the Australian Securities Exchange during the VWAP Period or on the relevant days and where the currency of the Principal Amount in respect of the Subordinated Note is not Australian dollars, with each such daily price converted into the Specified Currency on the basis of the spot rate of exchange for the sale of Australian Dollars against the purchase of the relevant Specified Currency in the Sydney foreign exchange market quoted by any leading bank selected by ANZBGL on the relevant calculation date, but does not include any "Crossing" transacted outside the "Open Session State" or any "Special Crossing" transacted at any time, each as defined in the ASX Operating Rules, or any overseas trades or trades pursuant to the exercise of options over Ordinary Shares;

"VWAP Period" means the period of five Business Days or such other period specified in the applicable Pricing Supplement on which trading in Ordinary Shares took place immediately preceding (but not including) the Trigger Event Date.

13. Interpretation

SCHEDULE 2 – Commercial particulars of the Subordinated Notes

PRICING SUPPLEMENT

THIS PRICING SUPPLEMENT WILL BE ISSUED IN RESPECT OF NOTES WHICH ARE NOT ADMITTED TO THE OFFICIAL LIST OF THE UK FINANCIAL CONDUCT AUTHORITY OR TO ANY OTHER UNITED KINGDOM REGULATED MARKET OR EUROPEAN ECONOMIC AREA REGULATED MARKET OR OFFERED TO THE PUBLIC IN THE UNITED KINGDOM FOR THE PURPOSES OF THE UK PROSPECTUS REGULATION OR IN THE EUROPEAN ECONOMIC AREA FOR THE PURPOSES OF THE EU PROSPECTUS REGULATION. THE PRICING SUPPLEMENT HAS NOT BEEN REVIEWED OR APPROVED BY THE UK FINANCIAL CONDUCT AUTHORITY AND DOES NOT CONSTITUTE A PROSPECTUS FOR THE PURPOSES OF THE UK PROSPECTUS REGULATION.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"). Consequently no disclosure document required by the FCA Product Disclosure Sourcebook ("**DISC**") for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

MiFID II product governance / Professional investors and eligible counterparties only target market –Solely for the purposes of each relevant Joint Lead Manager's product approval process as a MiFID II (as defined below) "manufacturer", the target market assessment completed by the relevant Joint Lead Managers in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (an "**EU distributor**") should take into consideration the manufacturers' target market assessment; however, an EU distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels. The Issuer is not subject to MiFID II and any implementation thereof by an EU Member State. The Issuer is therefore not a "manufacturer" for the purposes of the MiFID Product Governance Rules under EU Delegated

Directive 2017/593 and has no responsibility or liability for identifying a target market, or any other product governance obligation set out in MiFID II, for financial instruments it issues (including the foregoing target market assessment for the Notes described in this legend).

UK MiFIR product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of each relevant Joint Lead Manager's product approval process as a UK MiFIR (as defined below) "manufacturer", the target market assessment completed by the relevant Joint Lead Managers in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of United Kingdom domestic law by virtue of the EUWA ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**UK distributor**") should take into consideration the manufacturers' target market assessment; however, a UK distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels. The Issuer is not subject to UK MiFIR. The Issuer is therefore not a "manufacturer" for the purposes of the UK MiFIR Product Governance Rules and has no responsibility or liability for identifying a target market, or any other product governance obligation set out in UK MiFIR, for financial instruments it issues (including the foregoing target market assessment for the Notes described in this legend).

Notification under Section 309B of the Securities and Futures Act 2001 of Singapore (the "SFA"): In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the "**CMP Regulations 2018**"), the Issuer has determined and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA) that the Notes are 'prescribed capital markets products' (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in the Monetary Authority of Singapore (the "**MAS**") Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

If the Subordinated Notes are not redeemed, purchased and cancelled, Written-Off or Converted on or before the Optional Redemption Date, the Rate of Interest payable annually in arrear in respect of the period from (and including) the Optional Redemption Date to (but excluding) the Maturity Date shall be reset to a fixed rate which is equal to the sum of the prevailing 5-year EUR Mid-Market Swap Reset Reference Rate on the day which is two T2 Business Days prior to the Optional

Redemption Date (the "**Reset Determination Date**") plus the Spread.

Where:

"7 year EUR Mid-Market Swap Rate" means the annual mid-market rate (EURIBOR basis) for a euro swap transaction having a seven year maturity appearing on the Bloomberg page "ICAE1" at the time of pricing.

the highest) and the lowest 5-year EUR Mid-Market Swap Rate Quotation (or, in the event of equality, one of the lowest), expressed as a percentage and rounded, if necessary to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards); and

(iii) if fewer than three 5-year EUR Mid-Market Swap Rate Quotations as referred to in paragraph (i) above are provided, the 5-year EUR Mid-Market Swap Reset Reference Rate shall be the annual mid-market rate (EURIBOR basis) for a euro swap transaction having a 5-year maturity that appeared on the most recent Relevant Screen Page that was last available prior to 11.00am (Frankfurt time) on the Reset Determination Date all as determined by the Calculation Agent.

See "Use of Proceeds and a General Description of the ANZ SDG Bond Framework" in the "Additional Disclosure" below and Part 1 of the Annexure to this Pricing Supplement. "Framework" refers to the "ANZ SDG Bond Framework", dated November 2024, available at <https://www.anz.com/debtinvestors/centre/green-sustainability-bonds/>, as the same may be updated, amended and/or replaced from time to time. The Issuer is under no obligation to update the Framework. The Framework has not been assessed for alignment with ICMA's Green Bond Principles of June 2025 or ICMA's Social Bond Principles of June 2025.

Annexure

PART 1 RISKS RELATED TO NOTES ISSUED AS SDG BONDS

The section entitled "Use of Proceeds" under the heading "Use of Proceeds and a General Description of the ANZ SDG Bond Framework" on pages 238 to 239 of the Base Prospectus that is incorporated by reference into the Information Memorandum shall be deleted and replaced with the following:

"Use of Proceeds of SDG Bonds

The Notes issued by ANZBGL constitute SDG Bonds. This means that ANZBGL intends to apply an amount equal to the net proceeds from the issue of SDG Bonds to finance or refinance a combination of new or existing assets which align with one or more eligible categories and/or ANZBGL's own operating or capital expenditures which align with one or more eligible categories, in accordance with the "Framework" (as defined in the next paragraph).

The "**Framework**" means the "ANZ SDG Bond Framework" dated November 2024. In the Framework, ANZBGL described its approach to the issue of green, social or sustainability bonds, to be aligned to the United Nations Sustainable Development Goals ("**SDGs**").

The Framework is available on ANZBGL's website at <https://www.anz.com/debtinvestors/centre/green-sustainability-bonds/>. However, the Framework and this website is not incorporated into, nor does it form part of, the Information Memorandum as supplemented by this Pricing Supplement.

While ANZBGL is under no obligation to update the Framework, the Framework, any second or third party opinions and any periodic use of proceeds and impact reports prepared by ANZBGL, as well as other documentation related to SDG Bonds and/or the Framework (whether or not prepared by ANZBGL or at its request), may be amended, updated, supplemented, replaced and/or withdrawn from time to time and any subsequent version(s) may differ (including in a significant way) from the description given in the Information Memorandum as supplemented by this Pricing Supplement. Potential investors in an SDG Bond should access the latest version of each relevant document available. Any such amendment, update, supplement, replacement and/or withdrawal may affect any Tranche of SDG Bonds.

Certain information about the Framework

On 1 January 2016, the United Nations Sustainable Development Goals came into effect. The 17 goals and 169 targets are aimed at addressing global challenges, including those related to poverty, inequality, climate change and environmental degradation by 2030.

ANZ intends that the SDG Bonds issued under the Framework will be aligned to one or more SDGs.

Eligible assets and expenditure

Eligible assets and expenditure are determined by ANZBGL in its absolute discretion to fall within one or more of the eligible categories and meet the process for evaluation and selection in accordance with the Framework. Eligible categories are set out in the Framework.

Payment of any principal or interest in respect of any SDG Bonds will be made from ANZBGL's general funds and will not be directly linked to or depend on the performance or credit standing

of any eligible asset (or the performance of ANZBGL in respect of any SDG, ESG or similar targets). This means that, without limitation:

- no property interest or security interest in favour of any investor is created in any proceeds or eligible asset or expenditure;
- the term of any eligible assets may be shorter or longer than the term of the SDG Bonds.
- eligible assets may mature, be sold, repaid, prepaid or otherwise expire before or after the maturity date of a Tranche of SDG Bonds;
- allocation of amounts equal to the net proceeds in respect of SDG Bonds to eligible assets will regularly change in accordance with the Framework;
 - eligible assets may remain outstanding after the maturity date of the SDG Bonds;
 - ANZBGL is not required to terminate the funding of any eligible assets by an amount equal to the net proceeds of maturing SDG Bonds; and
 - ANZBGL may, from time to time and at its sole discretion, re-allocate or apportion eligible assets and expenditure among, and/or adjust the composition of its portfolio of eligible assets and expenditures allocated against, SDG Bonds, including this Tranche of SDG Bonds.

Limitations

The Framework sets out ANZBGL's corporate purpose and strategy as at November 2024. It is no longer current as at the date of this Pricing Supplement. Potential investors should refer to the Information Memorandum for ANZBGL's current corporate purpose and strategy.

The Framework precedes, has not been updated for, and has not been assessed for compliance against, the International Capital Market Association's ("**ICMA**") more recent Green Bonds Principles of June 2025 or ICMA's Social Bond Principles of June 2025.

Documents available

Subject to applicable law, copies of the Framework and any second or third party opinions (including, without limitation, the ISS Opinion and EY Assurance) (subject to consent and confidentiality requirements) and periodic use of proceeds reports and impact reports may be obtained by investors from ANZBGL's website, at <https://www.anz.com/debtinvestors/centre/green-sustainability-bonds/>.

Refer to the Framework for further information on reporting, including regarding use of proceeds and impact reporting prepared by ANZBGL. As at the date of this Pricing Supplement, subject to

limited exceptions, ANZBGL presents impact figures as “gross figures” for each project/asset. This means that the impact of ANZBGL’s lending is lower than, and a portion of the total impact figures.

None of the Framework, any second or third party opinion (including, without limitation, the ISS Opinion and EY Assurance), any other certification, assurance, review, report (including any post-issuance report), opinion or assurance relating to the Framework and/or SDG Bonds, any document referred to in any of the foregoing and the contents of any website referred to herein or therein, is or will be incorporated into, or form part of, the Information Memorandum or this Pricing Supplement.

Other matters in respect of SDG Bonds that are Subordinated Notes

Subordinated Noteholders do not have netting or set-off rights and there are no cross-default clauses in relation to the eligible assets or expenditures.”

PART 2 AMENDED NOTICES IN RESPECT OF SDG BONDS

The sections entitled “Notes issued as “SDG Bonds”” and “Second and third party opinions, assurances and certifications in respect of SDG Bonds” on pages 271 to 272 of the Information Memorandum shall be deleted and replaced with the following:

“Notes issued as “SDG Bonds”

On 1 January 2016, the United Nations' Sustainable Development Goals (the "**SDGs**") came into effect. The 17 goals and 169 targets are aimed at addressing global challenges, including those related to poverty, inequality, climate change and environmental degradation by 2030.

ANZBGL may issue Notes described as "SDG Bonds". "**SDG Bonds**" are a Tranche of Notes where the applicable Pricing Supplement provides that ANZBGL intends to allocate an amount equal to the net proceeds from an issue of such Notes to finance or refinance a combination of new or existing assets which align with one or more eligible categories and /or ANZBGL's own operating or capital expenditures which align with one or more eligible categories in accordance with an ANZ SDG Bond framework. ANZBGL's current SDG Bond framework is dated 7 November 2024 but it may be updated, supplemented and/or replaced from time to time (the "**Framework**") and any subsequent version(s) may differ (including in a significant way) from any description given in this Information Memorandum. As at the date of this Pricing Supplement, ANZBGL's Framework has not been assessed for compliance against the International Capital Market Association's ("**ICMA**") Green Bond Principles of June 2025 or ICMA's Social Bond Principles of June 2025. The Framework is not incorporated into and does not form part of this Information Memorandum.

ANZBGL intends that the SDG Bonds issued under the Framework will be aligned to one or more SDGs.

The Dealers and the Arranger have not undertaken, nor are they responsible for, any assessment of the "Eligible Assets" as may be defined from time to time in the Framework or the application, impact or monitoring of, or reporting in respect of, the use of proceeds for any Notes issued by ANZBGL as SDG Bonds.

None of ANZBGL, the Arranger or any Dealer accepts any responsibility for any social, environmental and sustainability assessment of any Notes issued as SDG Bonds or makes any representation or warranty or assurance whether such Notes will meet any investor expectations or requirements regarding such "green", "sustainable", "social" or similar labels (including but not limited to Regulation (EU) 2020/852 on the establishment of a framework to facilitate sustainable investment (the "**EU Taxonomy Regulation**") and any related technical screening criteria, the "European Green Bonds" ("**EuGB**") label or the optional disclosures for bonds marketed as environmentally sustainable and for sustainability-linked bonds under Regulation (EU) 2023/2631 (the "**European Green Bond Regulation**"), Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector ("**SFDR**") and any implementing legislation and guidelines, or any similar legislation in the United Kingdom or any market standards or guidance, including green, sustainable or social bond principles or other similar principles or guidance published by ICMA (the "**ICMA Principles**")) or any requirements of such labels or market standards as they may evolve from time to time.

Neither the Arranger nor any Dealer is responsible for (i) the use or allocation of proceeds of any Notes issued as SDG Bonds, (ii) the impact, monitoring or reporting in respect of such use of proceeds, or (iii) the alignment of the SDG Bond with the Framework or alignment of the Framework with the applicable ICMA Principles, (iv) nor do any of them undertake to ensure that there are at

any time sufficient eligible assets and/or eligible expenditures to allow for allocation of a sum equal to the net proceeds of the issue of such SDG Bonds in full.

In respect of any SDG Bonds, no representation or assurance is given by ANZBGL, the Arranger or the Dealers as to the suitability of any such SDG Bonds to fulfil any present or future investor expectations or requirements with respect to sustainability or other investment criteria or guidelines which any investor is, or its investments are, required to comply with.

In the event any such SDG Bonds are, or are intended to be, listed, or admitted to trading on a dedicated "green", "sustainable", "social" or other equivalently-labelled segment of a stock exchange or securities market, no representation or assurance is given by ANZBGL, the Arranger or the Dealers that such listing or admission will be obtained or maintained for the lifetime of the SDG Bonds.

Second and third party opinions, assurances and certifications in respect of SDG Bonds

Neither the Arranger nor the Dealers have reviewed the Framework or any second or third party opinions, nor do they accept any responsibility as to the accuracy and completeness of the information contained in such documents or in any opinion, assurance, certification, review, assessment or other report in connection with the Framework and/or SDG Bonds. Potential investors in SDG Bonds must determine for themselves the relevance of any such opinion, review, assurance, certification or post-issuance report, label and/or the information contained therein and/or the provider of such opinion, assurance, review or certification or post-issuance report and/or label for the purpose of any investment in SDG Bonds.

No assurance or representation is given by ANZBGL, the Arranger, the Dealers or any other person as to the suitability or reliability for any purpose whatsoever of any opinion, review, assurance, certification or post-issuance report of any third party (including any post-issuance reports prepared by an external reviewer) and/or label, whether or not solicited by ANZBGL, which may be made available in connection with the issue of SDG Bonds and in particular any eligible assets (including any second or third party opinions) to fulfil any sustainable development goal, environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion, review, assurance, certification or post-issuance report is not, nor should it be deemed to be, a recommendation by ANZBGL, the Arranger, the Dealers or any other person to buy, sell or hold SDG Bonds and such opinions, assurances and certifications may not reflect the potential impact of all risks related to the structure, market and other factors that may affect the value of SDG Bonds, and they may be revised or withdrawn at any time. Additionally, any such opinion, review, assurance, certification or post-issuance report and/or label (i) is only current as of the date on which it was initially issued and the criteria and/or considerations that form the basis of such opinion, review, assurance, certification or post-issuance report and/or label may change at any time, (ii) only provides an opinion, review, assurance, certification or post-issuance report on certain environmental and related considerations and (iii) is not intended to address any credit, market or other aspects of an investment in SDG Bonds including, without limitation, market price, marketability, investor preference or suitability of any security to fulfil any specific investment criteria. Prospective investors must determine for themselves the relevance of any such opinion, review, certification or post-issuance report and/or the information contained therein. The criteria and/or considerations that form the basis of any such opinion, review, assurance, certification or post-issuance report and/or label may change at any time and the opinion, review, assurance, certification or post-issuance report and/or label may be amended, updated, supplemented, replaced and/or withdrawn. Prospective investors must determine for themselves the relevance of

any such opinion, review, assurance, certification or post-issuance report, label and/or the information contained therein.

Any second or third party opinion, and any other opinion provided in relation to SDG Bonds is a statement of opinion, not a statement of fact. Second or third party opinion providers may not be subject to any specific regulatory or other regime or oversight and any opinions provided are provided for information purposes only and on a no liability basis. As at the date of this Information Memorandum, the providers of such opinions, assurances and certifications are not subject to any specific regulatory or other regime or oversight. The European Green Bond Regulation will introduce a supervisory regime of external reviewers of EuGBs but this is not due to take full effect until 21 June 2026."

PART 3 RISKS RELATED TO NOTES ISSUED AS SDG BONDS

The section entitled “Risks related to Notes issued as SDG Bonds” on pages 40 to 43 of the Base Prospectus that is incorporated by reference into the Information Memorandum shall be deleted and replaced with the following:

“Risks related to Notes issued as SDG Bonds

The SDG Bonds may not meet investor expectations or requirements

ANZBGL may issue SDG Bonds from time to time. While it is the intention of ANZBGL to allocate an amount equal to the net proceeds of any SDG Bonds to an eligible asset or assets and/or eligible expenditure, there is no contractual or regulatory obligation to do so. Additionally, the Framework is subject to review and change and any amendment, update, supplement and/or replacement of the Framework may be applied in respect of any issue of SDG Bonds.

No assurance or representation is given to investors by ANZBGL or any other person:

- (a) that, at any time, an amount equal to the use of the net proceeds of any Tranche of SDG Bonds will satisfy (whether in whole or in part) any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, in particular with regard to any direct or indirect sustainability impact of any projects or uses, the subject of or related to, any eligible assets, eligible businesses and projects under the Framework;
- (b) that, at any time, any assets, projects, businesses or uses the subject of, or related to, any eligible assets will meet or, if met, continue to meet on an ongoing basis any or all investor expectations regarding "green", "sustainable", "social" or other similar labels (including, without limitation, the EU Taxonomy Regulation and any related technical screening criteria, the EuGB label, the European Green Bond Regulation, the SFDR and any implementing legislation and guidelines, or any similar legislation or related technical screening criteria in the United Kingdom or any market standards or guidance, including the ICMA Principles) or any requirements of such labels or market standards as they may evolve from time to time. Furthermore, it should be noted that there is currently no clear definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green", "social" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green", "social" or "sustainable" or such other equivalent label and if developed in the future, SDG Bonds may not comply with any such definition or label;
- (c) that any adverse environmental, social and/or other impacts will not occur during the implementation of any assets, projects, businesses or uses the subject of, or related to, any eligible assets;
- (d) that, at any time (within any specified period or at all), (i) any assets, projects, businesses qualifying as eligible assets will be available or meet any eligible categories, or (ii) any eligible asset will continue to meet any eligible category, or that ANZBGL will be able to replace any eligible assets which no longer meet the relevant eligible category, or (iii) any eligible assets will be, or will be capable of being, implemented in or substantially in such manner and/or in accordance with any timing schedule or at all or with the results or outcome as originally expected or anticipated by ANZBGL and, accordingly, there is no assurance that an amount

equal to the net proceeds of any Tranche of SDG Bonds will be totally or partially allocated to such eligible assets; or

- (e) as to the suitability or reliability for any purpose whatsoever of any opinion, review, assurance, certification or post-issuance report of any third party (whether or not solicited by ANZBGL) which may be made available in connection with SDG Bonds (including any second or third party opinion).

As at the date of this Pricing Supplement, any SDG Bonds issued under the Programme will not be compliant with the European Green Bond Regulation and are only intended to comply with the requirements and processes in ANZBGL's Framework. Additionally, as at the date of this Pricing Supplement, ANZBGL's Framework has not been assessed for compliance against ICMA's Green Bond Principles of June 2025 or ICMA's Social Bond Principles of June 2025. It is not clear if the establishment of the EuGB label and the optional disclosures regime for bonds issued as "environmentally sustainable" under the European Green Bond Regulation could have an impact on investor demand for, and pricing of, green use of proceeds bonds that do not comply with the requirements of the EuGB label or the optional disclosures regime, such as SDG Bonds issued under this Information Memorandum. It could result in reduced liquidity or lower demand or could otherwise affect the market price of any SDG Bonds issued under this Programme that do not comply with the European Green Bond Regulation standards.

The listing of any Tranche of SDG Bonds on any dedicated 'green', sustainable or other equivalently-labelled segment of any stock exchange or securities market is subject to change and may not meet investor expectations or requirements

If a Tranche of SDG Bonds is at any time listed or admitted to trading on any dedicated "green", sustainable or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by ANZBGL or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, in particular with regard to any direct or indirect environmental impact of any projects or uses, the subject of or related to, any of the businesses and projects funded with an amount equivalent to the net proceeds from such SDG Bonds. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by ANZBGL or any other person that any such listing or admission to trading will be obtained in respect of any Tranche of SDG Bonds or, if obtained, that any such listing or admission to trading will be maintained during the life of the SDG Bonds and any failure to obtain or maintain such listing may affect the value of the SDG Bonds.

SDG Bonds do not benefit from any arrangements to enhance the performance of the SDG Bonds or any contractual rights derived solely from the intended use of proceeds of such SDG Bonds and are not linked to the performance of the eligible assets

Investors should note that none of:

- (a) a failure by ANZBGL as Issuer (either totally or partially) (i) to allocate amounts equal to the net proceeds, or use the proceeds of a Tranche of SDG Bonds in the manner described in the Pricing Supplement and the Framework, or (ii) to evaluate, select and report on eligible assets, or to manage amounts equal to the net proceeds of a Tranche of SDG Bonds or procure any external review and verification of a Tranche of SDG Bonds, each as may be

described in the Pricing Supplement and/or in the Framework or (iii) to comply with the Framework, the United Nations' General Assembly SDGs or, the International Capital Market Association (the "**ICMA**") published documents entitled "*The Social Bond Principles June 2023*", "*The Sustainability Bond Guidelines June 2021*", "*The Green Bond Principles June 2021 (With June 2022 Appendix 1)*", "*The Social Bond Principles June 2025*" and "*The Green Bond Principles June 2025*" or (iv) to prepare, obtain or publish any report, assessment, opinion, review, assurance, certification, post-issuance report and/or label relating to any SDG Bonds (including any periodic use of proceeds or impact report as described in the applicable Pricing Supplement or Framework);

- (b) a failure of a third party to provide any opinion, review, assurance, post-issuance report or certification in connection with the Framework, a Tranche of SDG Bonds or any periodic use of proceeds or impact report (whether or not solicited by ANZBGL as Issuer), and/or any such opinion, review, assurance, certification or post-issuance report stating that ANZBGL as Issuer is not complying or fulfilling relevant criteria (either totally or partially) with respect to any matter(s) which such opinion, review, assurance, certification or post-issuance report is opining on, assuring or certifying;
- (c) any revision, amendment or withdrawal, for any reason, of (i) any opinion, review, assurance, post-issuance report certification and/or label relating to any Tranche of SDG Bonds, any periodic progress report and/or the Framework, or (ii) any criteria on which any such opinion, review, assurance, post-issuance report or certification was given, or (iii) the Framework and/or any report, review, assessment, opinion, post-issuance report, certification and/or label relating to any Tranche of SDG Bonds, any periodic progress report and/or the Framework;
- (d) the failure of any SDG Bonds to meet investors' expectations or requirements regarding any SDGs, environmental, social and governance ("**ESG**") or similar label(s) or characteristic(s);
- (e) any change in the performance of any eligible asset (including the loss of any SDG, ESG or equivalent characteristics);
- (f) the SDG Bonds if listed or admitted to trading no longer being listed or admitted to trading on any ESG segment of any stock exchange or securities market or otherwise; or
- (g) SDG Bonds not complying with the standards under the European Green Bond Regulation, will (i) constitute an Event of Default under the Conditions, or (ii) be a breach of contract with respect to any Tranche of SDG Bonds, or (iii) give rise to any other claim or right (including, for the avoidance of doubt, any early redemption option or right to accelerate any Tranche of SDG Bonds) of a holder of SDG Bonds against ANZBGL as Issuer, or (iv) require ANZBGL to redeem the SDG Bonds, or (v) affect the regulatory treatment of the SDG Bonds.

The occurrence of any of the above factors may, however, cause damage to the ANZBGL Group's reputation and/or have a material adverse effect on the value of SDG Bonds and/or result in adverse consequences for certain investors with requirements to invest in securities to be used for a particular purpose who may need to sell such SDG Bonds as a result of such SDG Bonds not falling within their investment requirements. Potential investors should note that there is no recourse to ANZBGL in these circumstances.

The market price of SDG Bonds may adversely change

If any of the risks outlined above materialise, this may have a material adverse effect on the market price of such SDG Bonds and also potentially the market price of any other securities intended to finance the Issuer's lending for eligible assets and may result in adverse consequences for certain investors with requirements to invest in securities to be used for a particular purpose (including, without limitation, if such investors are required to dispose of their SDG Bonds as a result of such SDG Bonds not meeting any investment requirements set by or for such investor, which could lead to increased volatility and/or material decreases in the market price of such SDG Bonds).

No assurance of suitability or reliability of any second party opinion or any other opinion or certification of any third party relating to any SDG Bond

Any second or third party opinions may provide an opinion on certain environmental and related considerations. Any such opinions are a statement of opinion, not a statement of fact. No representation or assurance is given as to the suitability or reliability of any second or third party opinion or any review, assurance, certification, assessment, post-issuance report or other report of any third party made available in connection with an issue of Notes issued as SDG Bonds. Any second or third party opinion and any other such review, assurance, certification, assessment, post-issuance report or other report of any third party is not intended to address any credit, market or other aspects of any investment in any Note, including without limitation market price, marketability, investor preference or suitability of any security or any other factors that may affect the value of the Notes. Any second or third party opinion and any other such review, assurance, certification, assessment, post-issuance report or other report of any third party is not a recommendation to buy, sell or hold any such Notes and is current only as of the date it was issued.

The criteria and/or considerations that form the basis of any second or third party opinion and any other such review, assurance, certification, assessment, post-issuance report or other report of any third party may change at any time and such opinion, review, assurance, certification, assessment, post-issuance report or other report may be amended, updated, supplemented, replaced and/or withdrawn. Any withdrawal of any such opinion, review, assurance, certification, assessment, post-issuance report or other report may have a material adverse effect on the value of any SDG Bonds in respect of which such opinion, review, assurance, certification, assessment, post-issuance report or other report is given and /or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose. SCHEDULE 3 – Description of rights and liabilities attaching to ANZGHL Ordinary Shares

The rights and liabilities attaching to ANZGHL Ordinary Shares are set out in the constitution of ANZGHL ("**Constitution**") and are also regulated by the Corporations Act, the ASX Listing Rules and the general law. A summary of the key rights attaching to ANZGHL Ordinary Shares is set out below.

Voting rights

Subject to any rights or restrictions attached to any shares or class of shares, a registered holder of an ANZGHL Ordinary Share ("**Shareholder**") is entitled to attend and vote at a general meeting of ANZGHL. Any resolution being considered at a general meeting is decided on a show of hands unless a poll is held. On a show of hands, each Shareholder present has one vote.

On a poll, each Shareholder has one vote for each ANZGHL Ordinary Share. Partly paid ANZGHL Ordinary Shares confer that fraction of a vote which is equal to the proportion which the amount paid bears to the total issue price of the ANZGHL Ordinary Share.

General meetings

Notice of a general meeting must be given to each Shareholder in accordance with the Corporations Act. Each Shareholder is entitled to receive notices, financial statements and other documents required to be provided to Shareholders under the Constitution, Corporations Act and ASX Listing Rules.

Dividend entitlement

Subject to the Corporations Act, the Constitution and the terms of issue of ANZGHL Ordinary Shares, the board of directors of ANZGHL ("**Board**") may resolve to pay dividends on ANZGHL Ordinary Shares which are considered by the Board to be appropriate, in proportion to the capital paid up on the ANZGHL Ordinary Shares held by each Shareholder (subject to the rights of holders of shares carrying preferred rights).

Dividend reinvestment plan and bonus option plan

Shareholders who are eligible may participate in ANZGHL's dividend reinvestment plan or bonus option plan, as in force from time to time, in accordance with (and subject to) the rules of those plans. Shareholders who are subject to the laws of a country or place other than Australia may not be eligible to participate, because of legal requirements that apply in that country or place or in Australia. Until the Board otherwise determines, participation in ANZGHL's dividend reinvestment plan and bonus option plan is not available directly or indirectly to any entity or person (including any legal or beneficial owner of ANZGHL Ordinary Shares) who is (or who is acting on behalf of or for the account or benefit of an entity or person who is) in or resident in the United States (including its territories or possessions) or Canada.

Rights of Shareholders on a winding-up of ANZGHL

If ANZGHL is wound up and its property is more than sufficient to pay all debts, share capital of ANZGHL and expenses of the winding-up, the excess must be divided among Shareholders in proportion to the capital paid up on the ANZGHL Ordinary Shares at the commencement of the winding-up (subject to the rights of holders of shares carrying preferred rights on winding-up). A partly paid ANZGHL Ordinary Share is counted as a fraction of a fully paid ANZGHL Ordinary Share equal to the proportion which the amount paid on it bears to the total issue price of the ANZGHL Ordinary Share.

However, with the sanction of a special resolution, the liquidator may divide among Shareholders the assets of ANZGHL in kind and decide how the division is to be carried out or vest assets in trustees of any trusts for the benefit of Shareholders as the liquidator thinks appropriate.

Transfer of ANZGHL Ordinary Shares

ANZGHL Ordinary Shares may be transferred by any means permitted by the Corporations Act or by law. The Board may decline to register a transfer where permitted to do so under the ASX Listing Rules or the settlement operating rules of the ASX ("**ASX Settlement Operating Rules**"), or where registration of the transfer is forbidden by the Corporations Act, ASX Listing Rules or ASX Settlement Operating Rules. In addition, subject to the Corporations Act, ASX Listing Rules and ASX Settlement Operating Rules, the Board may decline to register a transfer if registration would create a new holding of less than a marketable parcel under the ASX Listing Rules.

Issues of further shares

Subject to the Constitution, Corporations Act and ASX Listing Rules, the Board may issue or grant options in respect of ANZGHL Ordinary Shares on such terms as the Board decides. The Board may also issue preference shares, including redeemable preference shares, or convertible notes with preferred, deferred or special rights or restrictions in relation to dividends, voting, return of capital and participation in surplus on a winding-up of ANZGHL.

Variation of the Constitution

The Constitution can only be modified by a special resolution in accordance with the Corporations Act. Under the Corporations Act, for a resolution to be passed as a special resolution it must be passed by at least 75 per cent. of the votes cast by members entitled to vote on the resolution.

Variation of rights

ANZGHL may only modify or vary the rights attaching to any class of shares with the prior approval, by a special resolution, of the holders of shares in that class at a meeting of those holders, or with the written consent of the holders of at least 75 per cent. of the issued shares of that class.

Subject to the terms of issue, the rights attached to a class of shares are not treated as varied by the issue of further shares which rank equally with that existing class for participation in profits and assets of ANZGHL.
