### **Seeka Releases its 2026 Sustainability Report**

Seeka Limited [NZX:SEK] is pleased to present its 2026 Sustainability Report. The report provides an update to stakeholders on Seeka's progress against its sustainability goals.

Highlights include:

- Achieved the 30% reduction target in GHG category 1 & 2 emissions from the 2022 base year.
- 7 coolstores and 8 pre-coolers upgraded with low impact refrigerant gas, with 309 kgs of high greenhouse gas refrigerants safely destroyed.
- 92 tonnes of kiwifruit donated to NZ Food Network, helping 39 food hubs feed families.
- 18% of vehicles are electric or hybrid as Seeka continues to decarbonise its vehicle fleet.
- 1,165 kW of solar providing power at five facilities.

Seeka's 2025 carbon footprint reduced to 23,951 tonnes CO<sub>2</sub>e from 26,682 tonnes CO<sub>2</sub>e in 2024, as a result of Seeka's carbon reduction initiatives. Seeka remains committed to further lowering its category 1 and 2 direct emissions.
