

AMENDED: Capital Change Notice (1 July 2026)

Locate Technologies Limited (NZX: LOC) (Locate Technologies or the Company) is re-issuing its Capital Change Notice released on 1 July 2026 (in respect of the issue of 10,000,000 new ordinary shares to Pure Asset Management Pty Ltd as trustee for The Income and Growth Fund, in settlement of the buyout of the Locate2u revenue royalty) to correct the total number of ordinary shares on issue.

The total number of ordinary shares on issue was previously recorded as 307,378,078 and should have been 307,287,539. The difference of 90,539 shares reflects shares acquired under the Company's on-market share buyback that had not been recorded as cancelled on the share register at the time of the notice. Those shares are being cancelled on the register.

A corrected Capital Change Notice is attached. No other information in the notice has changed.

About Locate Technologies

Locate Technologies Limited (NZX: LOC) is an AI-powered delivery and logistics technology company. The Group operates two complementary platforms: Locate2u, a route optimisation and delivery management platform used by fleet operators, retailers, and logistics providers internationally, with AI features deployed in the product for customers; and Zoom2u, an on-demand courier and delivery marketplace across Australia that uses AI internally to run its dispatch and logistics operations. The Group's platforms provide route planning, delivery management, and real-time visibility for businesses of all sizes.

Locate Technologies is also New Zealand's first listed Bitcoin treasury company, holding Bitcoin as a reserve asset alongside its operating businesses.
