SkyCity extends and consolidates bank facilities

SkyCity Entertainment Group (**SkyCity**) today announced that it has extended and consolidated two tranches of its existing bank facilities, ahead of their scheduled maturities in July and September 2027.

The two tranches, of NZ$57.5 million and NZ$80.0 million, have been consolidated into a single facility of NZ$140.0 million, an increase of NZ$2.5 million, maturing on 15 September 2029. The key terms of the amended facility, including pricing, are otherwise unchanged, reflecting the continued support of SkyCity's banking syndicate.

Following this transaction, SkyCity has access to NZ$277.5 million of revolving credit facilities:

- NZ$137.5 million maturing 15 September 2028; and
- NZ$140.0 million maturing 15 September 2029.

These facilities are currently undrawn and provide flexibility for considering future options for the structure of SkyCity's debt.
