About Gentrack

We are entering a new era, with utilities worldwide transforming to meet business and sustainability targets. For over 35 years Gentrack has been partnering with the world's leading utilities, and more than 60 energy and water companies rely on us. Gentrack, with our partners Salesforce and AWS, are leading today's transformation with g2.

g2 allows utilities to launch new propositions in days, reduce cost-to-serve and lead in total experience.
