Notice pursuant to clause 20(1)(a) of schedule 8 of the Financial Markets Conduct Regulations 2014

The main terms of the offer and the Notes are set out in the **attached** Terms Sheet. Except for the interest rate and maturity date of the Notes, the Notes will have identical rights, privileges, limitations and conditions as:

- (a) the fixed rate notes due 7 June 2027 which are quoted on the NZX Debt Market under the NZX ticker code BNZ160;
- (b) the fixed rate notes due 25 May 2028 which are quoted on the NZX Debt Market under the NZX ticker code BNZ170;

- (d) the fixed rate notes due 19 November 2029 which are quoted on the NZX Debt Market under the NZX ticker code BNZ190; and
- (e) the fixed rate notes due 28 January 2031 which are quoted on the NZX Debt Market under the NZX ticker code BNZ200,

(together, the "**Quoted Notes**"), and therefore are of the same class as the Quoted Notes for the purposes of the FMCA and the Regulations. The Quoted Notes have been continuously quoted on the NZX Debt Market over the preceding 3 months.

As at the date of this notice, BNZ is in compliance with:

- (a) the continuous disclosure obligations that apply to it in relation to the Quoted Notes; and
- (b) its financial reporting obligations (as defined in the Regulations).

As at the date of this notice, there is no excluded information (as defined in the Regulations) required to be disclosed for the purposes of the Regulations.

As at the date of this notice, there is no information that would be required to be disclosed under a continuous disclosure obligation or which would be excluded information required to be disclosed for the purposes of the Regulations if the Quoted Notes had had the same redemption date or interest rate as the Notes being offered.
