Seeka Increases Forecast Full Year Earnings Guidance

Seeka Limited [NZX: SEK] advises that it has increased its full year earnings guidance to profit before tax of between $41.0 million and $45.0 million, compared with previous guidance of between $39.0 million and $43.0 million.

The Company has traded strongly through the third quarter. The uplift reflects the continuing focus on operating margins, the incorporation of the New Zealand kiwifruit returns from Zespri, and Seeka's growing produce business and in particular citrus.

Seeka has maintained a disciplined focus on operating efficiencies and has delivered further savings through its captive insurance programme.
