Reason for placement rather than a pro-rata rights issue or an offer under a Share Purchase Plan in which the Issuer's existing Equity Security holders would have been eligible to participate	WCO has chosen to undertake a Placement in conjunction with a Share Purchase Plan to raise capital. The board of directors of WCO have determined that this capital raising structure is in the best interests of WCO having regard to flexibility, the selected nature of the Placement, and lower cost of a targeted Placement and Share Purchase Plan in respect of existing holders.
