Appointment of Chief Executive Officer of Pharmacy

Green Cross Health (NZX:GXH) is pleased to announce the appointment of Alison van Wyk to the newly created role of Chief Executive Officer of Pharmacy.

Alison has previously held a number of positions within Green Cross Health, including Group Manager of Professional Services, CEO of Access Community Health, and Group Chief Operating Officer. More recently, she has worked as the Executive General Manager of ProPharma and Onelink. Alison has made significant contributions to the pharmacy industry during her career and was awarded an honorary membership to the Pharmaceutical Society of NZ in 2018.

Alison will commence with GXH on 31 March 2027. As previously announced, Rachael Newfield will remain in her role as Group CEO until 29 January 2027.
