2026 CLIMATE-RELATED DISCLOSURES EXEMPTION

Works Finance (NZ) Limited (**Works Finance**) is a climate reporting entity and is relying on the Financial Markets Conduct (Climate-related Disclosures – Works Finance (NZ) Limited) Exemption Notice 2026 (**Exemption**) in respect of its accounting period ending on 30 June 2026.

The effect of relying on the Exemption is that Works Finance is exempt from preparing separate climate statements under Part 7A of the Financial Markets Conduct Act 2013, and instead relies on climate-related disclosures prepared by Works Finance's ultimate parent company, Downer EDI Limited (**Downer**) for its global business, including Works Finance.

A copy of Downer EDI's group climate statements are published in Downer's 2026 Annual Report available on its website and can be found at: www.downergroup.com/investor-centre/results-centre/.
