Barramundi New Hedging Ratio for Investment Portfolio

Barramundi Limited advised on Friday 30 October 2026 at the Barramundi Annual Shareholders Meeting that a new risk management framework was being put in place for the portfolio including that the board of Barramundi Limited would make decisions relating to hedging. The board advises that the hedging ratio of the portfolio will change from 70:30 to 50:50 and this will be implemented by the Manager of the portfolio (Fisher Funds Management Limited) over the next two weeks.
