IAG acknowledges ACCC's preliminary assessment of public benefit application

IAG acknowledges the Australian Competition and Consumer Commission's (ACCC) preliminary assessment of IAG's public benefit application regarding its proposed alliance with the Royal Automobile Club of Western Australia.

IAG remains confident that the strategic alliance will deliver a range of long-term benefits for members, customers and communities across Western Australia, and disagrees with the preliminary view expressed by the ACCC.

IAG will continue to engage constructively as the process progresses and will respond to the ACCC by 1 December 2026, with a determination from the ACCC expected by 1 February 2027.

A summary of the ACCC's preliminary assessment is available on its website.

This release has been authorised by IAG's Managing Director and CEO.
